DR. J. COLLIS BROWNE'S

CHLORODYNE.

The following is extracted from a "Chemist and Druggist" leading article which appeared on May 23rd, 1896, entitled:—

"ON IMITATING A SPECIALITY."

"The way of the imitator is hard; he can never be sure when he 'gets there. CHLORODYNE was invented by Dr. Collis Browne in 1848, and after an eight years' trial of it in India, Dr. Browne came home in 1856, and by Mr. J. T. Davenport's assistance the compound was soon familiar to the medical profession and the public in England, and ere long it became known the world over. Straightway imitations of it commenced.

"But Mr. Davenport's policy from the first has been to keep silence amidst the multitude of guesses made respecting the composition of this speciality, and that this was the best policy will be evident to anyone who glances at the table of nineteen formulæ which we subjoin.

"It is but fair to add on behalf of some of the formulators that they have been careful to say that their products are not attempts at imitation, but something like it, or a substitute, and that it is *still the rule in British pharmacy* to give Dr. Collis Browne's article when 'Chlorodyne' is ordered in prescriptions—a very common sense rule in view of diversity of opinion amongst authorities."

If you wish to protect your patients it is necessary that you prescribe Dr. J. COLLIS BROWNE's Chlorodyne, then the offence of substitution becomes punishable.

SOLE MANUFACTURER—

J. T. DAVENPORT,

33 GREAT RUSSELL STREET, LONDON, W.C.

A practical, simple, complete and comprehensive system of Medical Book-keeping.

BRUCK'S CONDENSED MEDICAL ACCOUNT BOOK

FOR AUSTRALIAN PRACTITIONERS,

Is one of the most perfect Medical Account Books published.

Its advantages are great and manifold. They are:—

1. It will enable you to keep your accounts without referring to auxiliary books.

2. It may be commenced or closed at any time.

3. One entry of each patient's name and address suffices for a month of practice.

4. Each day's services are noted in separate columns, without danger of errors or omissions.

5. The charges and payments are carried to the monthly total column on the same page, and, if added together, show the total value of the prac-

tice for each month; of course deducting the amounts brought forward from the previous month.

6. Each account is posted at a moment's notice, and may be exhibited item for item, or as a total, without delay.

7. The book is furnished with an alphabetical index, for registering names of patients, or of responsible persons, with current number, or page of entry.

8. No other book need be kept.

The new Account Book, which is prepared with especial reference to improving the system of recording calls, visits, &c, and as a labour-saving method of keeping accounts, will at once commend itself to every Medical Practitioner in these colonies.

The size of the book is 15 ins. x 10½ ins. It contains 72 or 100 double pages, 31 lines on each page, affording space for as many patients. You can use as many pages in each month as may be required, and a new month may be commenced in the middle or any other part of a page, so that no paper is wasted.

Printed on good paper and substantially bound, with leather back and corners.

With 72 double pages, Price 15s. or 16s. 6d. postage paid to all the colonies.

" 100 " " " 18s. 6d., or 21s. " " " "

SPECIMEN SHEET ON APPLICATION.

Bruck's Perpetual Medical Ledger

FOR AUSTRALIAN PRACTITIONERS.

Its advantages are similar to those claimed for Bruck's well-known Condensed Medical Account Book as stated above. It shows at a glance the state of any individual account, also the amount of account rendered and in what month, and the amount of any payment and the date of it. Any account can be commenced in any month and in any year, and no space is wasted. The size of the book is 15 ins. x 10½ ins. Each book contains 250 numbered pages, with two forms on the page, or 500 forms in all, printed on good paper, provided with an alphabetical index, and substantially bound with leather back and corners. Price 21s., or 22s. 6d. postage paid to all the colonies.

 SPECIMEN SHEET ON APPLICATION.

APENTA

A NATURAL HUNGARIAN APERIENT WATER.

— BOTTLED AT THE —

UJ HUNYADI Springs, Buda Pest, Hungary.

*Under the absolute control of the Royal Hungarian Chemical Institute
(Ministry of Agriculture), Buda Pest*

"This water is richer in mineral salts than all Continental bitter waters, and its efficacy is so great that even the smallest dose secures the best results."

Sworn chemist in Buda Pest.

APPROVED BY THE ACADEMIE DE MÉDECINE, PARIS.

"The Lancet" says:—

"A much esteemed purgative water."
—"Its composition is constant. The practitioner is thus enabled to prescribe definite quantities for definite results."
—"A Natural water."

"The British Medical Journal" says:—

"Affords those guarantees of uniform strength and composition which have long been wanting in the best known Hunyadi waters."
—"Agreeable to the palate."
—"Exceptionally efficacious."

"The Medical Press and Circular" says:—

"Belongs to that large class of aperient waters which comes from the neighbourhood of Buda Pest, commonly known under the generic name of Hunyadi."
—"Contains a large amount of lithia. Specially marked out for the treatment of gouty patients."

"The Edinburgh Medical Journal" says:

"One of the most valuable of aperient waters."
—"Agreeable to take."
—"Very efficient."
—"Reliable in its therapeutic effects."

CARLSBAD

Wellcome Library
for the history
and Understanding

Natural Mineral Waters.

These Waters are now imported in bottles and may be used in the treatment of all cases in which the CARLSBAD cure is indicated when patients are unable to visit the Spa. The CARLSBAD cure is recommended in *Chronic Gastric Catarrh, Hypercemia of the Liver, Gall Stones, Chronic Constipation, Diabetes, Renal Calculi, Gout*, and diseases of the spleen arising from residence in the tropics or malarious districts.

BYD. 9

Natural Carlsbad Sprudel-Salt

contains all the essential ingredients of the CARLSBAD "SPRUDEL" MINERAL WATER, from which it is obtained by evaporation. It is Alkaline, and readily soluble either in warm or cold water. In small and frequent doses it is an efficient *diuretic*, but as an *aperient* it should be taken *before breakfast* on an empty stomach, in doses of from 1 to 2 teaspoonfuls, dissolved in water. If followed by a cup of hot tea, coffee, or milk, its action will be increased. To increase the *aperient* action of the Carlsbad Mineral Waters, a teaspoonful of the Natural Salt, previously dissolved in water, should be added.

PREFACE TO THE FOURTH EDITION.

THE Third Edition of this work, published in 1892, has been out of print for nearly two years ; and this fact, in addition to my being constantly urged to issue a new edition, has induced me to undertake its re-issue, thoroughly revised and corrected up to date. To enable me to sell the work at a reduced price, I have been compelled to omit the present and past appointments held by medical men, and also to curtail the information hitherto afforded in the Gazetteer and Road Guide, without, however, detracting from its usefulness.

The new features in this edition are that the Local Medical Directory of each colony is given separately, and not in one general list as in previous editions, which will be found a great convenience ; and much fuller information is afforded of all the public hospitals, lunatic asylums, and charitable institutions, which form a separate division, to which is appended a list of Private Hospitals and Nurses' Homes. I have also added a list of Climatic and Sea-side Health Resorts in Australia, Tasmania, and New Zealand, with climatic notes and other useful information, and I trust that this new division will prove of value to members of the medical profession when called upon to select a suitable climate for their patients.

I have endeavoured to render this edition as free from errors as possible, and any discrepancies which medical men may discover are due to their failure to return to me the form which was sent to every Medical Practitioner in Australasia in June last.

The preface to the First Edition, published in 1883, indicating the Editor's aim, when first compiling this Handbook, will be found on next page.

L. BRUCK.

SYDNEY, OCTOBER, 1896.

PREFACE TO THE FIRST EDITION.

THE aim of the Editor of the "AUSTRALASIAN MEDICAL DIRECTORY AND HANDBOOK" has been to supply a much felt want, and to produce a *Book of Reference*, the extensive usefulness of which must render its possession material to every Medical Practitioner and to persons of many other callings, affording, as it does, much information, both useful and interesting, not to be found elsewhere.

The second division, comprising a General Gazetteer of nearly 1,000 post towns in Australia, Tasmania, New Zealand, and Fiji, together with a Local Directory, will be of particular value to any Practitioner desirous of changing his residence, as it shows him at one glance all the particulars he may require to enable him to choose a fresh field of labour.

The Editor feels confident that the "AUSTRALASIAN MEDICAL DIRECTORY AND HANDBOOK" will also be well received by the Profession abroad, especially by those of its members who may have the intention to settle in any of the Australasian colonies, as it will give them the fullest information as to the state of the Medical Profession in Australia, Tasmania, New Zealand, and Fiji.

This work, corrected up to date, has been compiled during a period extending over the last three years, and though the greatest care has been exercised in its compilation, yet possibly some few errors and omissions, which are unavoidable in a work of such scope, especially if it is the first issue, as in this case, will be met with, but the Editor will be pleased to receive notification of any necessary alterations or corrections, or names that should be added to the list, also any suggestions for enhancing the practical value of any future edition.

L. BRUCK.

THE MEDICAL ACTS OF AUSTRALASIA.

FIJI.

THE LABOURERS' MEDICAL CARE ORDINANCE (1891).

(Ordinance No. 15.)

Medical Districts.—The Governor, by proclamation in the *Royal Gazette*, may declare and appoint any part of the Colony to be a Medical District for the purposes of this Ordinance, and every such proclamation shall state the limits of such district and the date on and after which the provisions of this Ordinance shall be applicable to such district. The Governor may also, by like proclamation, from time to time, as may be expedient, alter the limits of any such district, or on sufficient reason being shown may at any time exempt any plantation in such district from the operation of this Ordinance, or may name a day on and after which any such medical district shall cease to be a medical district under this Ordinance. Any district already proclaimed as a medical district shall be deemed to be a medical district duly proclaimed under this Ordinance.

Appointment of Medical Officers.—The Governor may, from time to time, appoint any Government Medical Officer to be a District Medical Officer for any medical district under this Ordinance, and may transfer any Medical Officer so appointed from any such district to any other medical district, or may order that any such district appointment shall cease and determine.

Duties of Medical Officer.—The Medical Officer of any district as aforesaid shall, in addition to any other duties devolving upon him as a Government Medical Officer, visit every plantation in such district once within such regular periods as may be from time to time determined for the said district by the Chief Medical Officer of the colony, and shall also, when desired in writing by the employer on any such plantation so to do, specially visit any immigrant or native labourer on the said plantation. In every such written request there shall be stated the supposed nature of the injury or illness of such immigrant or native labourer.

Medical Officer's Visit-book.—It shall be the duty of the District Medical Officer on the occasion of each of his periodical visits as aforesaid to any plantation, to make an entry in the District Medical Officer's Visit-book (to be provided by the employer on such plantation) of the particulars specified in the form as prescribed in the case of every immigrant or native labourer examined or prescribed for by him at such visit, and to sign his name at the foot of such entry together with the date of such visit.

Special Visits.—In the case of every special visit made by request as aforesaid, the District Medical Officer shall, together with the other particulars of the case, record the fact that such visit is a special one, and for every such special visit there shall be paid to the Medical Officer by the employer at whose request the visit is made a sum of five shillings if the distance from the residence of the Medical Officer to the plantation visited is under ten miles, or the sum of ten shillings if over ten miles.

Extended Powers.—The powers conferred upon District Medical Officers by any Ordinance relating to immigrants are hereby extended to and shall apply in respect of native labourers, and every District Medical Officer shall exercise any of such powers whenever it shall appear to him expedient and proper to do so.

Employer to Provide Hospital Equipment, &c.—Every employer shall provide and keep on his plantation such drugs, medicaments, medical and surgical appliances, medical comforts, food, sleeping accommodation and nursing as may from time to time appear to the District Medical Officer reasonable for the general use of the immigrants or native labourers on such plantation, and shall furnish each immigrant and each native labourer under medical treatment with such articles, accommodation and nursing aforesaid as may be prescribed by such District Medical Officer. Provided however, that in the event of any employer believing any demand made under the provisions of this section by a District Medical Officer in respect of supplies for general use to be extravagant or unreasonable, such employer shall forthwith submit his protest in writing to such District Medical Officer, who shall append thereto his reasons for the demand in question and immediately transmit the protest and reasons to the Chief Medical Officer of the colony for decision. Any employer who shall refuse or neglect to provide or to furnish to any immigrant or native labourer any article, accommodation or nursing as aforesaid when required so to do by the District Medical Officer or Chief Medical Officer, as the case may be, shall, on conviction before a Stipendiary Magistrate, be liable to a penalty not exceeding twenty pounds, or in default of payment thereof to imprisonment not exceeding two months.

Hospital Diet Scales.—The employer on any plantation on which there is a plantation-hospital shall, when so required by the Medical Officer of the district, and with his advice and approval, establish a diet scale for regular observance at such hospital, to consist of full-diet, half-diet, dysentery-diet and extras, and may in like manner from time to time alter such diet scale or discontinue its use. But any such full-diet shall always include one or other of the alternative complete daily rations (as the Medical Officer may direct) required to be issued to indentured labourers not in hospital under the provisions of the Ordinances relating to immigrants or native labourers respectively. A copy of such diet scale when so established shall be signed by the employer and by the District Medical Officer, and shall be kept exposed in the hospital for reference.

Medical Officer's Monthly Return.—Every District Medical Officer shall, during the first fifteen days of each month, prepare and transmit to the Chief Medical Officer a return showing as nearly as possible the average daily number of immigrants and native labourers serving on each plantation in his district during the preceding month, the number of cases of each disease and accident admitted into the hospitals of such plantations respectively, and the number and causes of deaths during the same period.

Employer's Half-yearly Return.—Every employer shall, on the first day of January and the first day of July in every year, or within seven days thereafter, make out and deliver to the Medical Officer of the district in which such employer's plantation is situated, a return showing the number of immigrants and native labourers over twelve years of age on such plantation on each day during the preceding six months. And such return, after being countersigned as correct by such District Medical Officer, shall by him be forthwith transmitted to the Receiver-General for registration.

Medical Capitation Rate.—In the month of January in each year, or at the first meeting of the Legislative Council after that date, the Governor, with the advice and consent of the Legislative Council, shall, on the motion of the Receiver-General, determine for each medical district a certain capitation rate not exceeding four shillings for any one year, payable by each employer in respect of the average daily number of immigrants and native labourers over twelve years of age on his plantation during the twelve months ending the thirty-first day of December last past. The sums payable under the provisions of this section shall be paid by such employers to the Receiver-General before the last day of March in each year, and if not so paid may be recovered in a summary manner before any Stipendiary Magistrate at the suit of the Receiver-General. The proceeds of the said rate from each medical district shall be paid over by the Receiver-General to the Medical Officer entitled to such proceeds.

Apportionment of Medical Capitation Rate.—As soon as possible after the seventh day of January in each year the Chief Medical Officer shall furnish to the Receiver-General a return showing the names of the District Medical Officers entitled to receive the proceeds of such rates, and the proportions thereof due to them from each medical district.

Powers of Chief Medical Officer.—The Chief Medical Officer of the colony shall have power to enter upon any plantation on which any immigrant or native labourer is employed, or may be reasonably supposed to be employed; and may require any immigrant or native labourer on such plantation to be produced before him, and may

inspect the state of health of any immigrant or native labourer, and the condition of any dwelling, hospital, or hospital equipment thereon, and of any rations, medicines, or medical comforts supplied, or kept for the purpose of being supplied, to any immigrant or native labourer, and may examine into the general sanitation of any such plantation, and refer to any book, form, or return kept thereon under the provisions of any Ordinance relating to immigrants or native labourers. And any person who shall in any way hinder or obstruct the Chief Medical Officer in the performance of any such inspection or examination, or shall without reasonable excuse neglect or refuse to produce any immigrant or native labourer, or any book, form, return, rations, medicines, or articles of hospital equipment as aforesaid when required by the Chief Medical Officer so to do, shall, on conviction thereof before a Stipendiary Magistrate, forfeit and pay any sum not exceeding fifty pounds, and in default thereof be imprisoned for any term not exceeding six months.

Medical Attendance to Labourers.—Any person having resident in his service or employ within any medical district any immigrant or any native labourer in respect of whom capitation rate is not leviable, or having resident in his service or employ in such district any individual of the native race of the colony, not under a contract of service shall provide such immigrant and such native under a contract of service or otherwise, as the case may be, with sufficient medical attendance and with suitable accommodation, and such medicine, medical comforts and nursing as may be ordered by any Medical Officer.

NEW SOUTH WALES.

MEDICAL WITNESSES (1838).

(1 Vic., No. 3.)

Coroner's Inquests.—Whenever upon the holding of any Coroner's Inquest, or upon the holding of any inquiry by a Justice of the Peace, touching the death of any person, it shall appear to the Coroner or Justice that the deceased person was not at or immediately before his death attended by any legally qualified Medical Practitioner, such Coroner or Justice may issue a summons for the attendance, as a witness at such inquest or inquiry, of some legally qualified Medical Practitioner in actual practice who shall reside near to the place where such inquest or inquiry is holden, but that where the deceased person was attended by any such Practitioner, the Coroner or Justice shall issue a summons for his attendance only, or if the deceased was attended by more than one such Practitioner, the Coroner or Justices may cause all or any of them to be summoned at his or their discretion.

Post-mortem Examinations.—The Coroner or Justice may, at any time, before the termination of the inquest or inquiry, direct any legally qualified Medical Practitioner to perform a *post-mortem* examination of the body of the deceased, provided that, if in any case it appear to the Coroner or Justice that the death of such deceased person was probably caused by the improper or negligent treatment of any Medical Practitioner or other person, then such Practitioner or other person shall not be allowed to perform or assist at any such examination, although he shall in every such case be allowed to be present thereat.

Additional Medical Evidence.—Whenever it shall appear to the Coroner, or to a majority of the Jury at any such inquest, or to the Justice at any such inquiry, that the cause of death had not been satisfactorily explained by the Practitioners examined in the first instance, the Coroner or Justice shall cause any other legally qualified Practitioner to be summoned as a witness, and shall direct him to perform a *post-mortem* examination whether such an examination shall have been previously performed or not, provided that where such additional evidence is at the instance of a majority of the Jury, it shall be lawful for such majority to name to the Coroner any particular Practitioner whom they wish to attend, and in that case such Practitioner shall be summoned and no other.

Remuneration to Medical Witnesses.—When any legally qualified Medical Practitioner has attended at an inquest or inquiry in obedience to any such summons as aforesaid, he shall for such attendance and for giving evidence be entitled to receive the remuneration of one guinea, and (in addition thereto) for making of any such *post-mortem* examination the remuneration of two guineas; and if the place of his residence shall be more than ten miles distant from the place where the inquest or inquiry is holden, then such practitioner shall be entitled to a sum of one shilling for every mile of such extra distance in addition; provided that no remuneration shall be paid for the performance of any *post-mortem* examination instituted without the previous direction of the Coroner or Justice, and also that where the death shall have happened in any public hospital, gaol, or other public building, no Medical Officer appointed with salary to attend such hospital, gaol, or building, shall be entitled to any such remuneration.

Penalty for Neglecting to Attend.—Where any such summons or order of any Coroner or Justice as aforesaid shall have been served upon any Medical Practitioner to whom the same was directed, or shall have been left at his usual residence in sufficient time for him to obey the same, and he shall nevertheless not obey such summons or order, he shall for such neglect forfeit a penalty of not less than three pounds nor more than twenty, unless he shall at the hearing of the case show a good and sufficient excuse for such neglect.

QUALIFICATIONS OF MEDICAL WITNESSES DEFINED (1838 and 1845).

(2 Vic., No. 22, and 9 Vic., No. 12.)

Medical Board.—The Governor may appoint a Committee consisting of not less than three Members, being of the Medical Profession, one of whom shall be nominated President, together with a Secretary, under the style of the “New South Wales Medical Board,” three members to form a quorum, and any person being desirous of being declared a legally qualified Medical Practitioner shall submit his degree, diploma, or other certificate, or proof of his being so duly qualified for the examination and approval of the said Medical Board, and shall obtain from the said Medical Board a certificate of his being so qualified.

Legally Qualified Medical Practitioners Defined.—No person shall be deemed a legally qualified Medical Practitioner unless such person shall have proved to the satisfaction of the Medical Board that he is a Doctor or Bachelor of Medicine of some University, or a Physician or Surgeon licensed or admitted as such by some College of Physicians or Surgeons in Great Britain or Ireland, or a Member of the Company of Apothecaries of London, or a Member or Licentiate of the Apothecaries’ Hall of Dublin, or who is or has been a Medical Officer duly appointed and confirmed of Her Majesty’s sea or land service.

MEDICAL PRACTITIONERS’ REGISTRATION (1855).

(19 Vic., No. 17.)

Foreign Medical Practitioners.—Any person who shall prove to the satisfaction of the Medical Board that he has passed through a regular course of medical study of not less than three years’ duration in a School of Medicine, and that he has received after due examination from the University of Sydney, or from some university, college, or other body duly recognised for that purpose in the country to which such university, college, or other body may belong, a diploma, degree, or license entitling him to practice medicine in that country, shall be deemed to be a legally qualified Medical Practitioner, and shall be entitled to a certificate as such from the said Board.

Penalties.—The said Board may examine any person who may present himself for examination, or any witness who may be produced before them, and to take a solemn declaration from such person or witness, and, if any person shall wilfully, knowingly, and corruptly make any false statement upon such examination, or in such declaration, or shall utter or attempt to utter, or put off as true before the said Board, any false, forged, or counterfeit diploma, degree, license, certificate, or other document, or if any person shall fraudulently or by false representations obtain any certificate as a duly qualified Medical Practitioner, or shall forge, alter or counterfeit any such certificate, or shall utter or use any such forged certificate knowing the same respectively to have been forged, or shall falsely advertise or publish himself as having obtained such certificate, every person, guilty of any or either of the said offences, shall be deemed guilty of a misdemeanour and be liable to imprisonment with or without hard labour for any period not exceeding three years.

NEW ZEALAND.

THE MEDICAL PRACTITIONERS REGISTRATION ACT (1869.)

(32 and 33 Vic., No. 51.)

Who may be Registered.—Every person possessed of any one or more of the following qualifications shall be entitled to be registered:—(a) Fellow, Member, Licentiate, or Extra Licentiate of the Royal College of Physicians, London, England. (b) Fellow, Member, or Licentiate of the Royal College of Physicians of Edinburgh, Scotland. (c) Fellow or Licentiate of the King's and Queen's College of Physicians of Dublin, Ireland. (d) Fellow, or Member, or Licentiate in Midwifery of the Royal College of Surgeons of England. (e) Fellow or Licentiate of the Royal College of Surgeons of Edinburgh, Scotland. (f) Fellow or Licentiate of the Faculty of Physicians and Surgeons, Glasgow, Scotland. (g) Fellow or Licentiate of the Royal College of Surgeons of Dublin, Ireland. (h) Licentiate of the Society of Apothecaries, London, England. (i) Licentiate of the Apothecaries' Hall, Dublin, Ireland. (k) Doctor or Bachelor, or Licentiate of Medicine, or Master in Surgery of any University of the United Kingdom of Great Britain and Ireland, or Doctor of Medicine by Doctorate granted prior to August 2, 1858, by the Archbishop of Canterbury. (l) A Medical Officer, duly qualified, of Her Majesty's Land or Sea Service. (m) Any person registered before passing of this Act. (n) Any person who has passed through a regular course of medical study of not less than three years' duration in a school of medicine or surgery, and has received, after due examination, from some university, college, or other body, a diploma, degree, or license other than those before specified, entitling him to practise medicine or surgery, whether within Her Majesty's dominions or not. (o) Any person who shall have been registered as a legally qualified Practitioner in England, Ireland, or Scotland, under any Act of the Imperial Parliament.

Notice of Application.—Any person desiring to be registered shall give notice of his intention to apply for that purpose to the Registrar-General, or Registrar in the towns of Auckland, New Plymouth, Napier, Nelson, Hokitika, Pictou, Christchurch, Dunedin, and Invercargill, and shall state in such notice his residence, his qualification, and the date of his intended application, and that his diploma or other evidence of qualification is deposited for public inspection in the office of the Registrar-General or Registrar as the case may be, and shall affix to such notice his name in full.

Publication of Notice.—The diploma or other evidence of qualification shall be produced to the Registrar, and a copy thereof certified by a Justice of the Peace shall be deposited as stated in the notice, and such notice shall be published in a newspaper circulating near the place of the applicant's residence at least one month before the date of his application, and in the *New Zealand Gazette*.

Registrar to Act Judicially.—The Registrar-General or Registrar may examine any person applying to be registered, and any opponent and any witness who may be produced by either party, and may require any statement to be made on oath, and for that purpose may administer oaths, and if satisfied that such applicant is qualified to be registered under this Act shall enter his name and other particulars in the Register, provided that the Registrar may, if he see fit, in any case abstain from entering the name of such applicant and the particulars of his qualifications until after he shall have transmitted a copy of the same, and the evidence, if any, taken by him thereon, to the Registrar-General and received his direction thereon.

Appeal from Registrar.—If any such applicant as aforesaid, or any person objecting and appearing before the Registrar-General or Registrar as aforesaid, shall be dissatisfied with the decision of the Registrar-General or Registrar, it shall be lawful for him respectively by motion in the Supreme Court to apply to such Court for an order to the Registrar-General or Registrar; and the Court may order that the person applying shall be registered or that he shall be registered conditionally, or upon terms, or may decline to make such or any order, with or without costs.

Fees Payable.—The Registrar-General or Registrar shall receive the undermentioned fees:—(a) On deposit of diploma or other evidence of qualification, 20s. (b)

Certificate of Registration (which may be obtained on application). 5s. (c) Alteration of Qualification in Register, 10s. (d) Any other alteration of Register, 5s. (e) Inspection of Register, 2s.

Physicians may Sue.—Every registered person shall be entitled to sue in any court of law in New Zealand for the recovery of his fees or other remuneration for his professional services, whether medical or surgical.

Unregistered Persons not to be entitled to receive Fees.—No person shall be entitled to recover any charge in any court of law in the Colony for any medical or surgical advice, or attendance, or for the performance of any operation, or for any medicine which he shall have both prescribed and supplied, unless he shall prove on the trial that he is registered.

No Unregistered Person to hold Medical Appointment.—No person, unless registered, shall hold any appointment as a physician, surgeon, or other medical officer in any institution supported wholly or in part by public funds for affording medical relief in sickness, infirmity, or old age, or as a medical officer of health; and no certificate required to be signed by any Medical Practitioner shall be valid, unless the person signing the same shall be registered, provided that nothing in this Act contained shall render invalid any such certificate from a duly appointed medical officer of any of Her Majesty's Land or Sea Forces in full pay, although such officer may not be registered under this Act.

Registered Persons may be Erased from Register.—If any person shall have procured himself to be registered by fraudulent representation or declaration, either verbally or by writing, or if any person not entitled to be registered shall have been registered, or if any registered person shall be or shall have been convicted of any felony or misdemeanour in Great Britain or Ireland, or in any of the British Dominions, the Registrar-General and Registrar respectively shall erase the name of any such person from the Register, and such erasure shall be notified by the Registrar-General in the *New Zealand Gazette*.

Not to affect Chemists.—Nothing in this Act contained shall in any way affect chemists, druggists, and dentists.

Penalties.—Any person who shall wilfully and falsely pretend to be, or take or use the name or title of a physician, doctor of medicine, licentiate in medicine and surgery, bachelor of medicine, surgeon, general practitioner, or apothecary, or any name, title, addition, or description implying that he is registered under this Act, or that he is recognised by law as a duly qualified Medical Practitioner, shall for every such offence pay a sum not exceeding fifty pounds. And any person who shall fraudulently or by false representations procure himself to be registered as a Medical Practitioner, or shall forge, alter, or counterfeit any such certificate, or shall utter or use any such forged, altered, or counterfeited certificate, knowing the same to have been forged, altered, or counterfeited, or shall falsely advertise or publish himself as having been registered as a Medical Practitioner, shall be deemed guilty of a misdemeanour, and be liable to imprisonment, with or without hard labour, for any term not exceeding three years.

QUEENSLAND.

MEDICAL ACT (1867).

(31 Vic., No. 33).

Medical Board.—The Governor in Council may appoint a committee consisting of not less than three persons, being legally qualified members of the medical profession, one of whom shall be nominated president, together with a secretary, under the style and description of "Queensland Medical Board," three members to form a quorum, and any person desirous of being declared a legally qualified Medical Practitioner shall submit his degree, diploma, or other certificate or proof of his being so duly qualified, for the examination and approval of the said Medical Board, and on approval shall obtain from the said Medical Board a certificate of his being so qualified. The Medical Board shall also be the Board for registering chemists and druggists under this Act.

Legally Qualified Medical Practitioners Defined.—Any person who shall prove to the satisfaction of the Medical Board that he has passed through a regular course of medical study of not less than three years' duration, in a school or schools of medicine, and that he has received after due examination from some university, college or other body duly recognised for that purpose, in the country to which such university, college, or other body may belong, a diploma, degree, or license, entitling him to practice medicine in that country, or who is or has been a medical officer duly appointed and confirmed of Her Majesty's sea or land service, shall be deemed to be a legally qualified Medical Practitioner, and shall be entitled to registration, and to a certificate as such from the said Board. A person entitled to practise medicine shall mean any physician, doctor of medicine, bachelor of medicine, licentiate in medicine and surgery, surgeon, general practitioner or apothecary, who has obtained a diploma, degree, or license in the manner and of the character therein described.

Persons Registered under the Imperial Act.—Nothing herein contained shall prevent or restrain any person registered under the Imperial Act, "*To Regulate the Qualification of Practitioners in Medicine and Surgery*," from practising according to his qualifications in medicine or surgery, in any part of the colony, or from demanding and recovering in any court of law, with full costs of suit, reasonable charges for professional aid, advice, and visits, and the costs of any medicines or other medical or surgical appliances, rendered or supplied by him to his patients, or be construed to affect the privileges of any persons so registered; provided that gentlemen registered under the said Imperial Medical Act, who wish to practise in this colony, shall present to the Medical Board a certificate of such registry, or send to said Board such certificate authenticated by a declaration made before some magistrate for the colony, in whose petty sessions district such practitioner may reside, which declaration shall state that said declarant is duly qualified and is the person mentioned in the certificate thereto annexed, and any person making a false declaration shall be deemed guilty of perjury.

Chemists and Druggists.—No Chemist and Druggist shall obtain a certificate from the Medical Board of this colony, except upon the production of testimonials satisfactory to such board, and stating that he has been engaged for a period of not less than three years in learning pharmacy and chemical affinities, and that he is qualified to compound and dispense medicine, provided that this Act shall not prevent any person from selling uncompounded drugs or patent medicines.

Registered Persons may Sue.—Every person registered under this Act shall be entitled according to his qualifications to practice medicine or surgery, or to compound and dispense medicine in any part of this colony, and to demand and recover in any court of law, with full costs of suit, reasonable charges for professional advice, aid, and visits, and the costs of any medicine, or other medical or surgical appliances supplied by him to his patients or customers. But no person shall be entitled to recover any charge in any court of law for any medical or surgical advice, attendance or the performance of any operation, or for medicines compounded and sold, unless he shall prove that he is registered under this Act; and any person being so registered as aforesaid who shall practise, or act under any qualification other than that for which he has been registered, shall not be entitled to recover any charge made by him in respect thereof, and no person registered as a chemist and druggist only shall recover any charge as a Medical Practitioner.

Medical Certificates.—No certificate required by any Act from any Medical Practitioner shall be valid unless the person signing the same be registered.

Penalties.—This provision is the same as contained in the "Medical Practitioners' Registration Act," passed in N.S. Wales in 1855 (see page 4).

Fraudulent Registration.—If any person shall wilfully procure or attempt to procure himself to be registered under this Act by any false or fraudulent representation, or declaration, either verbally or in writing, every person so offending, and every person aiding and assisting him therein, shall be guilty of a misdemeanour, and on conviction be sentenced to be imprisoned for any term not exceeding twelve months.

Unregistered Practitioners.—Any person who shall wilfully and falsely pretend that he has been and is duly registered under the provisions of this Act as a Medical Practitioner, or who shall represent himself to be a Medical Practitioner, or use any title or term which may be construed to mean that he is qualified to perform the duties, and at the same time practice, or compound and dispense medicine without being registered, or whom, being registered as aforesaid, shall practise, profess to practise, or act in any manner contrary to his registered qualifications, shall pay for every such offence a sum not exceeding twenty pounds.

MEDICAL WITNESSES.

The "Medical Witnesses Act" (1 Vic. No. 3) passed in New South Wales in 1838, is incorporated with the above Act, and therefore in full force in Queensland. (See page 3).

SOUTH AUSTRALIA.

THE MEDICAL ACT (1844 & 1880).

(7 & 8 Vic., No. 17 and 43, and 44 Vic., No. 193.)

Medical Board.—The Governor shall appoint a Board, consisting of not less than three members, being of the medical profession, one of whom shall be nominated president, together with a secretary, under the style and description of "The South Australian Medical Board;" and any person desirous of being declared a legally qualified Medical Practitioner, as aforesaid, shall submit his degree, diploma, certificate, or other proof, for the examination and approval of the said Medical Board, and shall obtain from the said Medical Board a certificate of his being a legally qualified Medical Practitioner, and for every such certificate there shall be paid to the president of the said Medical Board the sum of one guinea.

Who shall be deemed a Legally Qualified Medical Practitioner.—No person shall be deemed to be a legally qualified Medical Practitioner unless such person shall have proved to the satisfaction of the majority of the members present, not being less than three of the Medical Board, that he is possessed of one of the qualifications mentioned in the Schedule on page 9, and shall have received from the said Board a certificate of his being a legally qualified Medical Practitioner.

Remuneration to Medical Witnesses.—When any legally qualified Medical Practitioner has attended and given evidence at any inquest, inquiry, or trial, in obedience to any summons or subpoena, he shall be entitled to receive the remuneration of one guinea, and (in addition thereto) for the making of any *post-mortem* examination, the remuneration of two guineas, and if the place of his residence be more than ten miles distant from the place where the inquest, inquiry, or trial is holden, then such practitioner shall be entitled to a sum of one shilling for every mile of such extra distance in addition. And until such funds shall be otherwise specially provided for that purpose, it shall be lawful for the Governor to order payment of every such sum by the Colonial Treasurer from the public moneys, provided that no remuneration shall be paid for the performance of any *post-mortem* examination instituted without the previous direction of the Coroner, Justice, or Court (as the case may be), and provided also, that where the death shall have happened in any public hospital, gaol, or other public building, no medical officer, appointed with salary to attend such hospital, gaol, or public building, shall be entitled to any such remuneration.

THE MEDICAL ACT AMENDMENT ACT (1889).

(52 and 53 Vic., No. 471.)

Penalty for False Representation.—Any person who shall falsely pretend to be a legally qualified Medical Practitioner, or who shall use any spurious diploma, or falsely pretend to have or use any diploma as physician, doctor of medicine, licentiate of medicine or surgery, bachelor of medicine, or any other name or title other than that to which such person is actually entitled, or other than that which shall have been *bona fide* granted to him, shall, on conviction, for every such offence forfeit and pay a sum not exceeding fifty pounds. Provided that any person who has heretofore

practised medicine or surgery continuously in South Australia for a term of five years shall not be liable to any penalties under this section by reason only of his using, or continuing to use, the title of doctor.

Publication of Practitioners by Medical Board.—The names and qualifications of all legally qualified Medical Practitioners, together with the dates at which their qualifications may respectively have been obtained, and the dates of registration of such Medical Practitioners respectively, shall, on registration, and in the month of January in each year, be published by the Medical Board in the *Government Gazette*.

Certificate of Death.—No medical certificate of the cause of death shall be issued for the purposes of "The Registration of Births and Deaths Act of 1874," except by a legally qualified Medical Practitioner.

No Burial without Certificate.—No burial of any deceased person shall take place without a certificate of the cause of death under the hand of a legally qualified Medical Practitioner, or an order for burial signed by a Coroner of the said province within the meaning of "The Coroners Act, 1884."

Uncertified Deaths.—For the purposes of the said Act, all deaths not certified as in the preceding sub-section mentioned shall be deemed and considered to be uncertified deaths.

Exemption.—The foregoing three paragraphs do not apply to any person who has heretofore practised as a Surgeon, Physician or Medical Practitioner in South Australia for a period of five years prior to the 6th December, 1889, nor to places where there is no legally qualified Medical Practitioner or Coroner of the said province as aforesaid, residing within a distance of five miles.

Certificates may be Cancelled.—If any legally qualified Medical Practitioner shall be convicted of any felony or misdemeanour, or be deprived of his qualifications by the college or body which may have granted the same, the Medical Board may, if they see fit, cancel or suspend the certificate of such practitioner, and such practitioner shall, upon the cancellation or during the suspension of his certificate, cease to be a legally qualified Medical Practitioner.

Examination of Witness.—The Board may question any person who may attend before them, and any witness who may be produced before them, and may take a solemn declaration from such person or witness; and if any person shall wilfully, knowingly and corruptly make any false statement upon such examination or in such declaration, or shall utter, or attempt to utter, or put off as true before them any false, forged or counterfeit degree, diploma, testimonium, license, certificate or other document, or shall wilfully procure, or attempt to procure himself to be registered by making or producing, or causing to be made or produced, any false or fraudulent representation or declaration, either orally or in writing, every such person so offending, and every person aiding and assisting him therein, shall be deemed guilty of a misdemeanour, and shall, on conviction thereof, be sentenced to be imprisoned for any term not exceeding three years, and the registration so fraudulently procured shall be cancelled.

Saving of Existing Certificates.—Any person, who, previously to the passing of this Act, shall have received from the Medical Board a certificate of his being a legally qualified Medical Practitioner, shall be deemed a legally qualified Medical Practitioner for all the purposes of this Act.

SCHEDULE.

(1) Any qualification entitling the holder to be registered in the United Kingdom under the Act of the Imperial Parliament of the United Kingdom of Great Britain and Ireland, passed in the 21st and 22nd years of the reign of Her Majesty Queen Victoria, chapter 90, and any Acts amending the same.

(2) Doctor or bachelor of medicine, or holder of a medical degree of any university in Australasia legally authorised and empowered to grant such degree.

(3) The holder of any medical degree, diploma or license to practise granted by any university, college or licensing body of any British colony or possession, or by any foreign university, college or licensing body, and which, in the opinion of the Medical Board, is equal to the qualification entitling the holder to be registered in the United Kingdom under the said Act of the Imperial Parliament of the United Kingdom of Great Britain and Ireland, passed in the 21st and 22nd years of the reign of Her Majesty Queen Victoria, chapter 90, or any Acts amending the same.

(4) Any person who proves to the satisfaction of the Medical Board that he has passed through a regular graded course of medical study of not less than four years'

duration in a British or foreign school of medicine, and has received after due examination from such British or foreign university, college or body duly recognised for that purpose in the country to which such university, college, or other body may belong, a medical diploma or degree, certifying to his ability to practise medicine or surgery, as the case may be.

TASMANIA.

THE MEDICAL PRACTITIONERS ACT (1842 & 1867.)

(6 Vic., No. 2, and 31 Vic., No. 34.)

Court of Medical Examiners.—The Governor may appoint seven persons, one of whom shall be called the President, to form a Court, to be called the Court of Medical Examiners. A quorum of the Court shall consist of not less than three members thereof.

Legally Qualified Medical Practitioners.—No person shall do or perform for fee, or in expectation of receiving a fee, any of the acts following, that is to say: practise as a physician, surgeon, or apothecary, or prescribe to be taken, or administer any medicine, or do or perform any surgical act or operation, unless such person shall have received from the president or some member of the Court of Examiners a certificate that it has been proved to his satisfaction that such person is a doctor of medicine of some university, or that he is a physician, surgeon or apothecary, licensed or admitted as such by some College of Physicians or Surgeons, or by the Society of Apothecaries of London or Dublin, or unless such person shall have obtained, after an examination publicly held before such Court of Examiners, letters testimonial of such Court to practise as a physician, surgeon, apothecary, upon pain of forfeiting for every such offence a penalty or sum not exceeding one hundred pounds. Provided that every doctor of medicine of any university, and every physician, surgeon, and apothecary licensed or admitted as such by any College of Physicians or Surgeons, or by the Society of Apothecaries of London or Dublin, shall be deemed a legally qualified Medical Practitioner, and shall be entitled to receive such remuneration and allowance as given below, notwithstanding that he shall not have received such certificate or letters testimonial as hereinbefore mentioned, provided he shall prove to the satisfaction of the coroner presiding at any such inquest that the attendance, if any given by him upon the person on whose body such inquest shall be held, was gratuitous, and provided that he shall also prove to the satisfaction of such coroner that he is really and in fact such doctor of medicine, physician, or apothecary, as the case may be.

Government Fees.—For giving evidence at an inquest—One Guinea.

For making a *post-mortem* examination—Two Guineas.

For travelling to the inquest—One shilling a mile one way for each mile after the first ten. Ten miles or under, no fee allowed.

For giving evidence in Court of Law—One Guinea a day.

For travelling to the Court—Eighteen Shillings a day, and coach or railway fare.

Letters Testimonial.—No person shall be entitled to such letters testimonial as aforesaid, unless he shall have conformed to any course of education which may be required by the said Court of Examiners, or unless the said Court of Examiners shall be satisfied that the course of education which such person had pursued elsewhere was sufficient to entitle him to examination for such letters testimonial.

Pupils.—Every legally qualified Medical Practitioner may receive as a pupil any person not under the age of sixteen years, who shall have received such a preliminary course of instruction as may be declared by any by-law to be passed by such Court to be sufficient.

The Sale of Drugs.—No person shall vend any medicine or drug without having obtained a license so to do from the president and two or more members of the Court; every person so offending shall forfeit a penalty not exceeding fifty pounds, provided that nothing in this section shall be deemed or taken to prevent any person being a

wholesale importer of drugs or medicines, from vending the same by wholesale. Provided also that no person shall incur any penalty by selling medicines or drugs at any place which is distant more than two miles from the place of business of any person who has obtained such license, provided such medicines or drugs shall be sold in unopened packages made up by, and bearing the label of, some person who has obtained such license as aforesaid, and not otherwise. Every legally qualified Medical Practitioner may also vend any medicine or drugs without having obtained any license so to do.

VICTORIA.

THE MEDICAL ACT (1890).

(54 Vic., No. 1118.)

DIVISION I.—MEDICAL BOARD OF VICTORIA.

Medical Board.—The Governor in Council may appoint a committee consisting of at least three members being of the medical profession, one of whom shall be nominated president, under the style of "The Medical Board of Victoria;" and may from time to time remove the said members or any of them, and may upon the removal, death, or resignation of any member of the Board appoint such other person as the Governor in Council shall think fit.

Quorum.—A quorum of the Board shall consist of not less than three members thereof, and in the absence of the president from any meeting of the Board one of the members present may be elected chairman of such meeting.

Registration.—The Board shall from time to time cause the names of all persons certified by the Board to be legally qualified Medical Practitioners within the meaning of Division two of this Act, to be registered with their qualifications and residences in a book to be kept by the Board for that purpose. Copies of the said register shall in the month of January in each year be published in the *Government Gazette*, and shall be published and sold by the Board; and any copy of such register shall be evidence in all courts of law and before all justices and others that the persons therein specified are registered according to the provisions of this Part of this Act.

Examination of Candidates and Witnesses.—The Board may question any person who may attend before the Board as hereinafter mentioned, and any witness who may be produced before the Board and may take a solemn declaration from such person or witness. And if any person shall wilfully, knowingly, and corruptly make any false statement upon such examination or in such declaration, or shall utter or attempt to utter or put off as true before the Board any false, forged, or counterfeit diploma, degree, license, certificate, or other document or writing, he shall be guilty of a misdemeanour, and being thereof duly convicted he shall be liable to be imprisoned for any period not exceeding three years.

Board may Alter Register and Erase Name Therefrom.—The Board may from time to time make the necessary alterations in the registration of the qualification and addresses of the persons registered under this Division of this Act, and may from time to time write, or cause to be written, a letter to any registered person addressed to him according to his last known address to inquire whether he has ceased to practise or has changed his residence; and if no answer be returned to such letter within the period of six months from the sending thereof the Board may erase the name of such person from the register, and may if they shall afterwards think fit to do so restore the same to the register.

Notice of Death or Change of Residence to be sent to the Board.—Every deputy-registrar in Victoria, on receiving notice of the death of any Medical Practitioner, shall forthwith transmit such notice by post to the president of the Medical Board in Melbourne; and on receipt of such notice the Medical Board shall erase the name of such deceased Medical Practitioner from the register of legally qualified Medical Practitioners; and any legally qualified Medical Practitioner on changing his residence shall intimate the same to the Medical Board.

DIVISION 2.—LEGALLY QUALIFIED MEDICAL PRACTITIONERS.

Qualification.—Every person possessed or hereafter becoming possessed of any one or more of the qualifications described in the following Schedule, who shall prove on personal attendance to the satisfaction of the Medical Board that the testimonium, diploma, license, or certificate testifying to such qualification was duly obtained by him after due examination from some university, college, or other body duly recognised for such purpose in the country to which such university, college, or other body may belong, shall be and be deemed to be and shall be entitled to registration as a legally qualified Medical Practitioner, and shall receive from the Medical Board a certificate of qualification.

SCHEDULE.

1. Fellow, Member, Licentiate, or Extra-Licentiate of the Royal College of Physicians of London,
2. Fellow, Member, or Licentiate of the Royal College of Physicians of Edinburgh.
3. Fellow or Licentiate of the King and Queen's College of Physicians of Ireland.
4. Fellow or Member of the Royal College of Surgeons of England.
5. Fellow or Licentiate of the Royal College of Surgeons of Edinburgh.
6. Fellow or Licentiate of the Faculty of Physicians and Surgeons of Glasgow.
7. Fellow or Licentiate of the Royal College of Surgeons in Ireland.
8. Licentiate of the Society of Apothecaries, London.
9. Licentiate of the Apothecaries' Hall, Dublin.
10. Doctor or Bachelor of Medicine, or Master in Surgery of some British or Colonial University.

11. Any legally qualified practitioner registered in the United Kingdom under the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, passed respectively in the twenty-first and twenty second year of Her Majesty intituled "*An Act to regulate the Qualifications of Practitioners in Medicine and Surgery*," and in the twenty-second year of Her Majesty intituled "*An Act to amend the Medical Act 1858*" or any Acts amending the said Acts.

12. Medical officers duly appointed and confirmed of Her Majesty's Sea or Land Service.

13. Any person who shall prove to the satisfaction of the Board that he has passed through a regular course of medical study of not less than three years' duration in a British or foreign school of medicine, and has received after due examination from some British or foreign university, college, or body, duly recognised for that purpose in the country to which such university, college, or other body may belong, a medical diploma or degree certifying to his ability to practice medicine or surgery as the case may be.

Obtaining a Certificate under False Representations.—If any person fraudulently or by false representations obtains a certificate as a legally qualified Medical Practitioner, or shall forge, alter, or counterfeit any such certificate, or shall utter or use any such forged, altered, or counterfeited certificate, knowing the same to have been forged, altered, or counterfeited, or shall falsely advertise or publish himself as having obtained such certificate, he shall be deemed guilty of a misdemeanour, and being thereof duly convicted shall be liable to imprisonment with or without hard labour for any period not exceeding three years.

Persons Unregistered Using Medical Titles.—It shall not be lawful for any person unless registered under Division one of this Act to pretend to be or to take or use the name or title of a physician, doctor of medicine, licentiate in medicine and surgery, master in surgery, bachelor of medicine, doctor, surgeon, medical or general practitioner, or apothecary, or surgeon apothecary, or accoucheur, or licentiate, or practitioner in midwifery, or any other medical or surgical name or title; and every unregistered person so offending shall forfeit and pay a sum not exceeding Fifty pounds, to be recovered in a summary manner before any two justices by any person suing for the same in any court of petty sessions. Provided that any person who shall feel himself aggrieved by any such conviction or order of justices may appeal therefrom to the next court of general sessions of the peace in accordance with the law for the time being in force relating to appeals from justices to courts of general sessions of the peace.

Medical Practitioners may Sue.—Every Medical Practitioner who shall have received such certificate of qualification as aforesaid shall afterwards be entitled to sue in any court of law within Victoria to the extent of the jurisdiction of such court for the recovery of his fees or other remuneration for his professional services, whether medical or surgical; and it shall be sufficient to state in the particulars of demand the words “for medical services,” which shall include every demand for medical or surgical aid, including medicines when supplied by the plaintiff to the defendant; and no person shall be entitled to recover any charge in any court of law for any medical or surgical advice or attendance or for the performance of any operation or for any medicine which he shall have both prescribed and supplied, unless he shall prove on the trial that he is registered in accordance with the provisions of Division one of this Act.

Medical Appointments and Certificates.—No unregistered person shall hold any appointment as a physician, surgeon, or other medical officer in passenger or other vessels leaving any port in Victoria, or in any hospital, infirmary, dispensary or lying-in hospital, or in any lunatic asylum, gaol, penitentiary, house of correction, house of industry, or other public institution for affording medical relief in sickness, infirmity, or old age, or as a medical officer of health; and no certificate required by any Act now in force, or that may hereafter be passed, from any physician, surgeon, licentiate in medicine, surgery, or other medical practitioner shall be valid unless the person signing the same be registered in accordance with the provisions of Division one of this Act. Provided that nothing herein contained shall render invalid any such certificate from a duly appointed medical officer of any of Her Majesty's land or sea forces in full pay, although such officer may not be registered under Division one of this Act.

Chemists or Dentists not Affected.—Nothing in this Division of this Act shall be construed to infringe on the rights and privileges hitherto enjoyed by chemists and druggists or dentists.

DIVISION 3—MEDICAL WITNESSES.

Coroner's Inquests.—Whenever upon the summoning or holding of any coroner's inquest or upon the holding of any inquiry by a justice touching the death of any person, it shall appear to the coroner or justice (as the case may be) that the deceased person was not at or immediately before his death attended by any legally qualified medical practitioner within the meaning of this Act, such coroner or justice may issue a summons for the attendance as a witness at such inquest or inquiry of some legally qualified medical practitioner in actual practice, who shall reside near to the place where such inquest or inquiry is holden; but where the deceased person was attended by any such practitioner, the coroner or justice shall issue a summons for his attendance only; or if the deceased was attended by more than one such practitioner, the coroner or justice may cause all or any of them to be summoned at his discretion.

Post-mortem Examinations.—The coroner or justice either in such summons as aforesaid or by an order in writing may at any time before the termination of the inquest or inquiry direct any legally qualified medical practitioner to perform a *post-mortem* examination of the body of the deceased, either with or without an analysis of the contents of the stomach or intestines. Provided that if in any case it appear to the coroner or justice that the death of such deceased person was probably caused partly or entirely by the improper or negligent treatment of any medical practitioner or other person, then such practitioner or other person shall not be allowed to perform or assist at any such examination or analysis, although he shall in every such case be allowed to be present thereat.

Additional Medical Evidence.—Whenever it shall appear to the coroner or to a majority of the jury at any such inquest, or to the justice at any such inquiry, that the cause of death has not been satisfactorily explained by the practitioner or practitioners examined in the first instance at such inquest or inquiry, the coroner or justice shall forthwith cause any other legally qualified practitioner or practitioners to be summoned as a witness or witnesses at such inquest or inquiry; and shall direct him or them to perform a *post-mortem* examination with or without such analysis as aforesaid, whether such an examination shall have been previously performed or not. Provided that where such additional evidence is at the instance of a majority of the jury, it shall be lawful for such majority to name to the coroner any particular legally qualified medical practitioner or practitioners whom they wish to attend; and in that case such practitioner or practitioners shall be summoned, and no other.

Remuneration to Medical Witnesses.—When any legally qualified medical practitioner has attended at an inquest or inquiry in obedience to any such summons as aforesaid, he shall for such attendance and for giving evidence at such inquest or inquiry be entitled to receive the remuneration of one guinea, and (in addition thereto) for the making of any such *post-mortem* examination the remuneration of two guineas; and if the place of his residence shall be more than ten miles distant from the place where the inquest or inquiry is holden, then such practitioner shall be entitled to a sum of one shilling for every mile of such extra distance in addition. Provided that no remuneration shall be paid for the performance of any *post-mortem* examination instituted without the previous direction of the coroner or justice. Provided also that where the death shall have happened in any public hospital, gaol, or other public building, no medical officer appointed with salary to attend such hospital, gaol, or building shall be entitled to any such remuneration.

Penalty for Neglecting to Attend.—Where any such summons or order of any coroner or justice as aforesaid shall have been served upon any medical practitioner, to whom the same was directed or shall have been left at his usual residence in sufficient time for him to obey the same and he shall nevertheless not obey such summons or order, he shall for such neglect forfeit and pay a penalty or sum of not less than Three pounds nor more than Twenty, to be recovered in a summary way before any two justices, unless he shall at the hearing of the case show a good and sufficient excuse for such neglect to the satisfaction of such justices.

WESTERN AUSTRALIA.

THE MEDICAL ACT (1894, AMENDED 1895.)

(58 Vic., No. 36, and 59 Vic., No. 17).

MEDICAL BOARD.

Medical Board.—For the purposes of this Act, there shall be constituted a “Medical Board,” such Board to consist of not less than three nor more than seven medical practitioners, one of whom shall be the president.

Quorum.—Any three members of the Board shall form a quorum, and the Board may act, notwithstanding any vacancy or vacancies, provided that the number of the Board be not reduced below three.

President.—The president of the Board shall be nominated from time to time by the Governor in Council, and be *ex officio* chairman. In the absence of the president from any meeting, the members present may elect a chairman for such meeting.

Voting Power.—Each member (including the chairman) shall have one vote, and the chairman shall, in case of an equality of votes, have, in addition to his ordinary vote, a casting vote. All questions at any meetings shall be determined by a majority of votes of the members present.

Term of Office.—The members shall hold office for seven years, provided that any member nominated to fill any vacancy caused by death, resignation, or removal shall hold office so long only as his predecessor would have done had no such vacancy occurred.

Members Nominated by Governor.—The members of the Board shall be nominated from time to time by the Governor in Council, who may from time to time remove the members of the Board, or the president thereof, or any of them, and fill any vacancy caused by removal, death, resignation, or otherwise.

Board may Make Bye-laws.—The Board may, with the approval of the Governor in Council, from time to time make and prescribe, amend, repeal, or add to all such rules as to the Board may seem meet for all or any of the following purposes:—(a) For determining the evidence to be produced and conditions to be fulfilled by any person applying for registration under this Act. (b) For regulating the manner of keeping and the form of the register. (c) For regulating the meetings and proceedings of the Board and the conduct of the business thereof. (d) For regulating the manner of making and the conduct of the proceedings in connection with

complaints or charges against medical practitioners alleged to be guilty of infamous conduct in a professional respect. (c) For generally carrying into effect the objects of this Act.

Providing for Fines and Penalties.—By any such Rules the Board may impose and provide for the recovery of fines and penalties from any person or persons subject thereto, and prescribe a scale of fees to be charged and paid in respect of any application, registration, or other proceeding provided or required under this Act or the Rules. All such rules shall, where the nature of the case permits, state some maximum fine or penalty for any neglect or breach thereof respectively, provided that no such fine or penalty shall exceed ten pounds.

Board may Appoint Officers.—The Board shall have power to appoint and pay, and to dismiss, an examiner or examiners, and a registrar and such other officers as the Board may deem necessary for carrying out this Act and the rules, and all such persons shall hold office subject to the rules.

Board may Sue.—The Board may, in its own name, by its registrar or any person thereunto authorised, in writing under the hand of the president, commence, carry on, prosecute, and defend any action, complaint, information, or proceeding whatsoever, both civil and criminal. Every court of law shall take judicial notice of the signature of the president to any such authorisation; and in any proceedings by the Board it shall not be necessary to prove the appointment of the members or Registrar of the Board.

Board may Require Attendance of any Person.—The Board may require the attendance of any person who applies for registration, and of any other person or persons, and may examine or question any such persons or any witnesses who may attend before the Board, upon oath or affirmation, and for any such purposes the Chairman may administer any oath or affirmation. Every summons issued by the Board requiring the attendance of any person or the production of any documents, and signed by the Registrar, shall have the same effect as a subpoena *ad test* or *duces tecum*, as the case may be, issued by the Supreme Court in a civil action; and the obedience thereto or non-observance thereof shall be enforced and punished by a judge in chambers in the same manner as in the case of the disobedience or non-observance of a subpoena issued by the said Court.

REGISTRATION.

Register to be kept by the Registrar.—A register shall be kept by the Registrar, and shall contain the names, addresses, and qualifications of all medical practitioners registered under “The Medical Ordinance, 1869,” or hereafter registered under this Act, such register to be open to inspection by any person on payment of a fee not exceeding two shillings and sixpence.

Entries may be Erased.—The Board shall, from time to time, erase any entry which shall be proved to the satisfaction of the Board to have been fraudulently or incorrectly made, as also the names of all medical practitioners who have died, and shall make such alterations and amendments in the register as the Board may from time to time direct, for the purpose of making the same an accurate record of the names, addresses, and qualifications of the medical practitioners for the time being; and to enable the Registrar to fulfil the duties hereby imposed upon him, it shall be lawful for the Registrar to post notice to any medical practitioner, addressed to him according to his address on the register, inquiring whether he has changed his address or residence, and if no answer shall be returned to such notice within the period of six months from the posting thereof, it shall be lawful to erase the name of such person from the register: provided that the name may be restored by the Board.

Persons Entitled to be Registered.—Every person (male or female) shall be entitled to be registered under this Act, who proves to the satisfaction of the Board that

(a) He is registered under “The Medical Ordinance, 1869,” hereby repealed; or that

(b) He holds any one or more of the qualifications in the following schedule:—

1. Fellow, Member, Licentiate, or Extra Licentiate of the Royal College of Physicians of London.
2. Fellow, Member, or Licentiate of the Royal College of Physicians of Edinburgh.
3. Fellow or Licentiate of the King and Queen’s College of Physicians of Ireland.

4. Fellow or Member of the Royal College of Surgeons of England.
 5. Fellow or Licentiate of the Royal College of Surgeons of Edinburgh.
 6. Fellow or Licentiate of the Faculty of Physicians and Surgeons of Glasgow.
 7. Fellow or Licentiate of the Royal College of Surgeons in Ireland.
 8. Licentiate of the Society of Apothecaries, London.
 9. Licentiate of the Apothecaries' Hall, Dublin.
 10. Doctor or Bachelor of Medicine or Master or Bachelor in Surgery of some British or legally constituted and recognised Australian, Tasmanian, or New Zealand University.
 11. Any legally qualified practitioner registered in the United Kingdom under any Act or Acts of the Parliament of the United Kingdom of Great Britain and Ireland now or hereafter in force.
 12. Medical officers duly appointed and confirmed of Her Majesty's Sea or Land Service.
- (c) The *testimonium*, diploma, license, certificate, or other document testifying to such qualification was obtained, after due examination, from some university, college, or other body duly recognised for such purpose in the country to which such university, college, or other body may belong; and that
- (d) He is a person of good fame and character, and still entitled to practice under the qualification by virtue of which he applies to be so registered in the place where the same was granted.

Names of Practitioners Guilty of Infamous Conduct, &c., to be Erased.—The name of any person registered under this Act, who either before or after he is registered shall be convicted in any part of Her Majesty's dominions or elsewhere of any felony, or misdemeanour, or of any other offence which, in the opinion of the Board, renders him unfit to practice, or who, after due inquiry, is adjudged by the Board to have been guilty, in their opinion, of infamous conduct in a professional respect, shall be erased from the register.

Register to be Published.—A copy of the register shall, in the month of January in each year, be published by the Board in the *Government Gazette*. Any copy of the register, purporting to be certified as a true copy by the registrar, shall in all Courts of law be *prima facie* evidence that the persons therein named are registered medical practitioners and possess the qualifications therein mentioned; and the absence of the name or the qualification of any person shall be *prima facie* evidence that such person is not so registered or so qualified.

Additional Qualifications.—Every person registered under this Act, who shall obtain any higher degree or any qualification other than the qualification in respect of which he is registered, shall be entitled to have such higher degree or additional qualification inserted in the register on payment of such fee as may be prescribed by the rules.

Practitioner Entitled to Certificate.—Every medical practitioner shall be entitled to obtain from the registrar a certificate of his registration, in such form as may be prescribed by the rules.

MEDICAL WITNESSES.

Coroner may Summon Practitioner.—Whenever, upon the summoning or holding of a coroner's inquest touching the death of any person, it shall appear to the coroner that the deceased person was not, at or immediately before his death, attended by a medical practitioner, such coroner may issue a summons for the attendance as a witness at such inquest or inquiry of some medical practitioner who shall reside near to the place where such inquest or inquiry is holden.

Post-Mortem Examination.—The coroner, either in any such summons as aforesaid or by an order in writing, may, at any time before the termination of the inquest, direct any medical practitioner to perform a *post-mortem* examination of the body of the deceased either with or without an analysis of the contents of the stomach or intestines. Provided that if in any case it appear to the coroner that the death of such deceased person was probably caused partly or entirely by the improper or negligent treatment of any medical practitioner or other person, then such medical practitioner or other person shall not be allowed to perform or assist at any such examination or analysis, although he shall, in every such case, be allowed to be present thereat, and whenever it shall appear to the coroner, or to a majority of the

jury in any such inquest that the cause of death has not been satisfactorily explained by the medical practitioner or practitioners examined in the first instance, the coroner shall forthwith cause any other medical practitioner or practitioners to be summoned as a witness or witnesses at such inquest, and shall direct him or them to perform a *post mortem* examination with or without such analysis as aforesaid, whether such an examination shall have been previously performed or not.

Fees Payable to Medical Witnesses.—The fees to be paid to any medical practitioner for attending at any inquest, and for the making of any such *post-mortem* examination, shall be fixed by scale to be prescribed by the Attorney General from time to time.

Penalty for Disobedience to Summons.—Where any such summons or order of any coroner shall have been served upon any medical practitioner to whom the same was directed, or shall have been left at his usual residence in sufficient time for him to obey the same, and he shall nevertheless not obey such summons or order, he shall, for such neglect, forfeit and pay a penalty or sum of not less than three nor more than twenty pounds, to be recovered in a summary way before any two justices, unless he shall, at the hearing of the case, show a good and sufficient excuse for such neglect to the satisfaction of such justices.

MISCELLANEOUS.

Penalty for False Representations, &c., &c.—Any person who (1) makes or causes to be made any falsification in any matter relating to the register; or (2) knowingly presents or causes to be presented to the Board any forged, false, altered or counterfeit *testimonium*, certificate, diploma, degree, license, or other document or writing; or (3) personates or represents himself as being the person referred to in any *testimonium*, certificate, diploma, degree, license, document, or writing presented to the Board, or in any certificate granted under this Act; or (4) procures or attempts to procure himself or any other person to be registered under this Act by making, or producing or causing to be made or produced, any false or fraudulent declaration or representation, either verbally or in writing; or (5) wilfully makes any false statement in any declaration, or on any examination or inquiry required or held by the Board under this Act or the Rules; or (6) falsely advertises or publishes himself as having obtained a certificate, or as being registered or qualified under this Act, or permits any such advertisement or publication, shall be guilty of a misdemeanour, and shall, on conviction thereof, be liable to be imprisoned for any term not exceeding three years.

Medical Practitioner only to hold Appointments.—No person other than a medical practitioner registered under this Act shall hold any appointment as a physician, surgeon, or other medical officer in passenger or other vessels leaving any port and registered in any part of Western Australia, or in any public or private hospital or other institution or society for affording medical relief in sickness, infirmity, or old age, or as a medical officer of health, and no certificate required by any Act now or hereafter in force from any physician, surgeon, licentiate in medicine and surgery, or other medical practitioner, shall be valid unless the person signing the same be registered under this Act.

None but Registered Persons may Practise Medicine or Surgery, &c.—From and after the passing of this Act no person other than a medical practitioner shall be entitled to (1) practise medicine or surgery in all or any one or more of its branches; or to (2) advertise or hold himself out as being, or in any manner to pretend to be, or to take or use the name or title (alone or in conjunction with any other title, word, or letter) of a physician, doctor of medicine, licentiate in medicine or surgery, master in surgery, bachelor of medicine or surgery, doctor, surgeon, medical qualified or registered practitioner, apothecary, accoucheur, or any other medical or surgical name or title; or to (3) advertise or hold himself out, directly or indirectly, by any name, word, letter, title, or designation, whether expressed in words or by letters, or partly in one and partly in the other (either alone or in conjunction with any other word or words, or by any other means whatsoever) as being entitled or qualified, able or willing to practise medicine or surgery in any one, more, or all its branches, or to give or perform any medical or surgical service, attendance, operation, or advice.

Penalty in case of breach.—And every person who, for himself or as assistant, servant, agent, or manager, does or permits any act, matter, or thing contrary to this section or any part thereof, shall be liable for each and every such offence, upon conviction, to a penalty not exceeding fifty pounds nor less than two pounds, and all costs of suit.

Exceptions.—Nothing in sub-section (1) contained shall prejudice or affect the lawful business or occupation of a chemist and druggist, or of a pharmaceutical chemist, and nothing in this section contained shall prejudice or affect the lawful business or occupation of a dentist registered under “The Dentists Act, 1894.”

Penalty for Unregistered Person Advertising Himself.—Every person who shall exhibit or publish, or cause, permit, or suffer to be exhibited or published any letter, circular, placard, handbill, card, or advertisement of any kind whereby any person advertises or holds himself out contrary to any part of the foregoing section, or attempts so to do, shall be liable for each and every such offence, upon conviction, to a penalty not exceeding ten pounds. Provided that this section shall not apply to any newspaper proprietor or printer publishing such advertisement before written notice from the Registrar that such advertisement is contrary to some part of the said section.

Medical Practitioner may Sue.—Every medical practitioner registered under this Act may, whilst so registered, sue in any Court of law of competent jurisdiction for the recovery of his fees or other remuneration for professional services, whether medical or surgical; and no person other than such registered medical practitioner shall be entitled to sue or counterclaim for set-off or recover any charge or remuneration for any medical or surgical advice, attendance, service, or operation, or for any medicine which he shall have both prescribed and supplied.

Recovery of Penalties.—Except where otherwise expressly provided to the contrary by this Act or the rules, all offences, penalties, fines, or fees under this Act or the said rules, may be tried and determined, enforced, and recovered summarily before any two or more Justices of the Peace in Petty Sessions. All fines, fees, and penalties recovered under this Act or the rules shall be paid and belong to the Board.

OFFICIAL MEDICAL DIRECTORY OF AUSTRALASIA.

BRITISH NEW GUINEA.

Government Medical Officer.

Dr. Jos. A. Blayney, R.M., Port Moresby.

F I J I.

Chief Medical Officer.

The Hon. Bolton G. Corney, M.L.C.,
M.R.C.S., E., Suva.

Board of Health.

Office: Suva.

President: The Governor.

Chairman: The Chief Medical Officer.

And at least five other members, not less than two of them being members of the Legislative Council.

There is a Local Authority for this Board in Viti Levu, one in Ovalau, and one in each of the five medical districts, being, in each case, the Government Medical Officer, and he is empowered, by means of the "Public Health Ordinance," and of the regulations made under it by the Board of Health, to deal with, and take measures for the rectification of all matters of sanitation within his district. The Local Authority has under his orders a Sanitary Inspector.

Government Medical and

NEW ZEALAND.

There is no Medical Board in New Zealand, but any person desiring to be registered as a Medical Practitioner is required to give notice of his intention to the Registrar-General, Mr. E. J. von Dadelszen, at Wellington, or the Registrars in the chief towns, and must state in such notice his residence, his qualifications, and the date of his intended application, and that his diploma or other evidence of qualification is deposited for public inspection in the office of the Registrar-General or Registrars, and must sign such notice with his name in full.

The diplomas or evidence of qualification must be produced to the Registrar, and a copy certified to by a J. P. deposited, an advertisement at the same time being published by the applicant in the *New Zealand Gazette*. Fees on deposit of diplomas, 20s. Certificate, 5s.

The Registrars of Births, Deaths and Marriages in the chief towns act as Registrars of Medical Practitioners. (*Vide* Medical Practitioners Registration Act, page 5).

Edmunds ; Bowral, Dr. T. C. Fisher ; Candelo, Dr. A. H. Meeke ; Glen Innes, Dr. F. H. Wrigley ; Inverell, Dr. T. Lane ; Muswellbrook, Dr. R. E. Grigson ; Newcastle, Dr. J. L. Beeston ; Nowra, Dr. H. K. King ; Richmond, Dr. W. M. Helsham ; Wagga Wagga, Dr. E. H. Thane ; Yass, Dr. P. T. Thane ; Young, Dr. J. T. Healey.

* * Meet at 121 Bathurst-street, Sydney, when required. The annual subscription is 2s., and the annual meeting takes place on the last Wednesday in March in each year.

Royal Society of New South Wales.

THE ROYAL SOCIETY of New South Wales originated in 1821 as the "Philosophical Society of Australasia." After an interval of inactivity, it was resuscitated in 1850 under the name of the "Australian Philosophical Society," by which title it was known until 1856, when the name was changed to the "Philosophical Society of New South Wales." In 1866 it assumed its present title, and was incorporated by Act of the Parliament of New South Wales in 1881.

Objects of the Society.—The object of the Society is to receive at its stated meetings original papers on Science, Art, Literature, and Philosophy, and especially on such subjects as tend to develop the resources of Australia, and to illustrate its Natural History and Productions.

President: Mr. J. H. Maiden, F.L.S. *Vice-Presidents:* Mr. C. Moore, F.L.S., F.Z.S., Professor T. P. Anderson Stuart, M.D., Professor Threlfall, M.A., Professor T. W. E. David, B.A., F.G.S. *Hon. Treasurer:* Mr. H. G. A. Wright, M.R.C.S., L.S.A. *Hon. Secretaries:* Messrs. J. W. Grimshaw, M. Inst. C.E., G. H. Knibbs, F.R.A.S., L.S. *Members of Council:* Messrs. C. W. Darley, M. Inst. C.E., H. Deane, M.A., M. Inst. C.E., W. H. Goode, M.A., M.D., W. M. Hamlet, F.C.S., F.I.C., F. B. Kyngdon, H. A. Lenehan, F.R.A.S., C. J. Martin, D. Sc., M.B., E. F. Pittman, Assoc. R.S.M., H. C. Russell, B.A., C.M.G., F.R.S., Professor Warren, M. Inst. C.E., Wh. Sc.

* * The ordinary general meetings of the Society take place in the Society's own premises, 5 Elizabeth-street North, Sydney, at 8 p.m., on the first Wednesday in every month during the last eight months of the year.

Every ordinary member has the privilege of introducing two friends as visitors to an Ordinary General Meeting of the Society or its sections, on certain conditions.

The entrance fee is £2 2s., and the annual subscription also £2 2s. The amount of ten annual payments may be paid at any time as a life composition for the ordinary annual payment.

Medical Section of the Royal Society of New South Wales.

Objects.—For the reading and discussion of papers of scientific interest in the domain of medicine.

Chairman: Dr. Scot Skirving. *Members of Committee:* Drs. C. Purser, A. Shewen, W. H. Goode, G. E. Rennie. *Hon. Secretaries:* Drs. C. J. Martin and J. A. Dick.

* * Meet at the Royal Society's Hall, Elizabeth-street, Sydney, on the third Friday in June, July, September and November, at 8.15 p.m. The meetings of the Section are open to members of the Royal Society, who may introduce two friends as visitors.

Microscopical Section of the Royal Society of New South Wales.

Office-Bearers: No returns.

* * Meet at the Royal Society's Hall, Elizabeth-street, Sydney, on the second Monday in every month, from May to December inclusive, at 8 p.m.

Western Medical Association (Western Suburbs of Sydney).

(Founded in 1890).

The objects of the Association shall be:—

- (a) The consideration of all matters relating to medical science.
- (b) To advance the general and social interests of the profession.
- (c) To promote fair and honourable practice and decide on questions of professional usage and courtesy.

President: Dr. Frizell, Strathfield. *Vice-presidents:* Dr. McAllister, Stanmore, and Dr. Maguire, Lewisham. *Hon. Treasurer:* Dr. Blackwood, Summer Hill. *Hon. Secretaries:* Drs. Coutie and Abbott, Petersham. *Members of Council:* Dr. Collingwood, Summer Hill; Dr. MacSwinney, Petersham; Dr. Wood, Ashfield; and Dr. Traill, Burwood. *Auditors:* Drs. Peare and McIlroy.

* * The annual subscription is 10s. 6d.

Eastern Suburbs Medical Association of Sydney.

(Founded in 1890).

The objects of the Association are the same as those of the Western Medical Association, and, in addition, to hold meetings for the discussion of subjects of special interest to members and honorary members practising in the Eastern Suburbs of Sydney, viz., Paddington, Woollahra, Vaucluse, Waverley and Randwick; to urge upon the various Borough Councils and sanitary authorities the necessity, where such exists, for constructing sanitary works, &c., and otherwise to prevent as far as possible the spread or outbreak of disease in the district.

President: Dr. G. L. Mullins, Waverley. *Vice-president*: Dr. J. A. Dick, Randwick. *Hon. Treasurer*: Dr. F. H. Quaife, Woollahra. *Hon. Secretary*: Dr. L. E. F. Neill, Double Bay. *Members of Council*: Drs. P. J. Collins, W. J. Barkas, C. A. Edwards.

* * Meet at the Paddington Town Hall in January, February and March of each year. The annual meeting and reunion is held early in October. The annual subscription is 10s.

North Sydney Medical Association.

Established September 11, 1891.

The objects of the Association are the same as those of the Western Medical Association.

Office-Bearers: No returns.

Newcastle Medical Society.

(Founded in 1885, resuscitated in 1890.)

Its objects are:—Promotion of all branches of Medical Science and of the common interests of the Medical Profession.

President: Dr. J. W. Hester. *Vice-president*: Dr. J. A. Harwood. *Hon. Treasurer*: Dr. W. L'E. Eames. *Hon. Secretary*: Dr. J. L. Beeston.

* * Meet at the Newcastle Hospital on the third Thursday in every month, from April to December inclusive. The annual subscription is £1 1s.

Sydney University Medical Society.

(Established in 1885.)

Its objects are:—The intellectual and social improvement of its members by Lectures, Essays and Discussions in any branch of Medical Science, and by any other means calculated to advance the objects of the Society.

President: Dr. Sawkins. *Vice-Presidents*: Drs. R. G. Craig, J. F. Flashman, E. H. Burkitt and Messrs. G. H. Broinowski and G. P. Dixon. *Hon. Secretary*: J. Macpherson, M.A. *Hon. Treasurer*: E. M. Pain. *Hon. Librarian*: J. I. C. Cosh.

* * All teachers in the Faculty of Medicine in the University of Sydney are honorary members *ex officio*.

* * The Meetings are held in the Clinical Theatre of the Prince Alfred Hospital, Sydney. There are six meetings in the year, generally on Friday evenings. The official organ is the Medical Supplement to "Hermes," issued once during term. The yearly subscription is 2s. 6d., or 10s. 6d. for the whole academic course, if paid in advance. One payment of £1 1s. ensures life membership.

Linnean Society of New South Wales.

(Established in 1875.)

Objects : The Linnean Society of New South Wales is instituted for the cultivation and study of the science of Natural History in all its branches. (Under the will of the late Sir William Macleay this society has received the sum of £12,000 to maintain a bacteriologist, who shall engage in original research).

President : H. Deane, M.I.C.E. *Vice-presidents* : J. C. Cox, M.D. ; Prof. W. A. Haswell, D.Sc. ; Prof. T. W. E. David, F.G.S. *Hon. Treasurer* : The Hon. Jas. Norton, LL.D. *Librarian* : J. J. Fletcher, M.A., B.Sc. *Members of Council* : John Brazier, F.L.S. ; C. Darley, C.E. ; J. H. Maiden, F.C.S. ; P. R. Pedley ; P. Whitelegge, F.R.M.L. ; T. Dixon, M.B. ; J. R. Garland, M.A. ; A. U. Henn, F.E.S. ; A. H. S. Lucas, M.A. ; C. J. Martin, M.B. ; P. N. Trebeck, J.P. ; Prof. J. T. Wilson, M.B. *Secretary* : J. J. Fletcher, B.Sc.

* * Meet at the Linnean Hall, 23 Ithaca Road, Elizabeth Bay, Sydney, on the last Wednesday in every month, at 8 p.m., except during December, January and February. The annual subscription for members is £1 1s., with an entrance fee of £2 2s., and for associate members, £1 1s., with £1 1s. entrance fee.

NEW ZEALAND.

The New Zealand Medical Association.

(Established in 1886.)

President : Dr. H. Lindo Ferguson, Dunedin. *Hon. Secretary and Treasurer* : Dr. W. M. Smith, Dunedin.

* * Branches exist in the principal centres of the colony, and they hold monthly meetings. The yearly subscription to the Branches is £1 1s. for town members, and 10s. 6d. for country members. The Branches defray the expenses of an annual general meeting, which is held in each of the centres in rotation, to which delegates of each Branch are sent. The next annual meeting will be held in Nelson, in March, 1897.

Auckland Branch of the New Zealand Medical Association.

President : Dr. Scott, Onehunga. *Senior Vice-president* : Dr. Lindsay. *Junior Vice-president* : Dr. Robertson. *Hon. Treasurer* : Dr. Knight. *Auditors* : Drs. Haines and Dawson. *Hon. Secretary* : Dr. Walker, Auckland.

* * Meet second Wednesday in each month. The annual subscription is 21s.

Canterbury Branch of the New Zealand Medical Association.

Objects.—The advancement of medical and surgical science, and the promotion and supervision of the common interests of the medical profession.

President : Dr. Irving (acting). *Vice-president* : Dr. Gossett. *Hon. Treasurer* : Dr. L. S. Manning. *Members of Committee* : Drs. C. M. Anderson and W. Thomas. *Hon. Secretary* : Dr. R. W. Anderson, Sydenham, Christchurch.

* * Ordinary meetings are held on the second Thursday in each month at the Public Library, Christchurch. The annual subscription of town members is £1 11s. 6d., and for country members, £1 1s., including the *N. Z. Medical Journal*. Any medical man registered in New Zealand, who has been in the country for six months, is eligible for election.

Nelson Branch of the New Zealand Medical Association.

Objects.—(1) To report and discuss surgical and medical matters and others strictly of interest to the profession. (2) To maintain the status of the medical profession. (3) To assist the medical men in the district to meet socially.

President: Dr. W. G. Duff. *Vice-president:* Dr. W. J. Mackie. *Hon. Secretary:* Dr. S. A. Gibbs, Nelson.

* * Meetings take place monthly at the Hospital, or at the private residence of members. The annual subscription for town members is 21s., and for country members, 10s. 6d.

Otago Branch of the New Zealand Medical Association.

(Now a Branch of the British Medical Association).

President: Dr. H. L. Ferguson. *Hon. Secretary:* Dr. W. M. Smith, Dunedin.

* * The annual subscription is 21s.

Southland Branch of the New Zealand Medical Association.

Objects.—The advancement of Medical Science and the promotion of the common interests of the medical profession.

Office-bearers: No returns.

* * Meetings are held, when called, for the reading of papers and transaction of other business at the Southland Hospital, Invercargill. The annual subscription to this branch is only 10s.

Wellington Branch of the New Zealand Medical Association.

Hon. Secretary: Dr. W. Fell, Wellington.

New Zealand Medical Defence Union.

Hon. Sec.: Dr. Jas. Irving, Christchurch.

New Zealand Medical Benevolent Fund

Hon. Sec.: Dr. Jas. Irving, Christchurch.

Otago Institute.

Hon. Sec.: Prof. Parker, Dunedin

QUEENSLAND.

The Medical Society of Queensland.

(Established in 1887).

The Objects of the Society are —

- (a) To promote the advancement of all branches of medical science.
- (b) To form a bond of union among members of the profession, and a medium through which their opinions can be ascertained and expressed.
- (c) To advance the general interests of the profession.
- (d) To correspond with societies or individuals in other parts on medical matters.
- (e) To further the association of the profession throughout Australasia.

President: Dr. Wilton Love. *Vice-presidents*: Drs. J. Hill and H. A. Francis.

N.B.—These fees not to include after-attendance or payment of assistants.

*. * These scales of fees have been found very useful, and have often been referred to in court and accepted as the authority by magistrates and judges.

REGULATIONS AFFECTING MEDICAL ATTENDANCE

AT LOCKUPS AND ELSEWHERE AT THE REQUEST OF THE POLICE.

NEW SOUTH WALES.

Ordinary Visits.

Legally qualified Medical Men will be allowed a fee of ten shillings for each visit in ordinary cases, to include all necessary medicines, dressing, &c.

Minor Operations.

For minor operations, a fee of one guinea.

Capital Operations.

For capital operations the account will be paid after reference to the Medical Adviser to the Government, if considered reasonable.

Fees at Night.

Double fees on ordinary visits will be allowed at night—i.e., between 10 p.m. and 5 a.m.

Fees for Examination and Evidence, &c.

The fee for examination and evidence in Lunacy and other cases will be one guinea, and where two or more cases are heard on the same day half fees only will be allowed after the first. The charge for attending and examining the prisoner in the lockup will be included in the fee of one guinea.

Mileage.

Mileage from the medical man's residence to the place where the patient is seen will be allowed at the rate of five shillings per mile beyond the first up to five miles, and seven shillings per mile for each mile above five up to twenty-five. Four miles by rail to be equal to one by road. Cases occurring above twenty-five miles to be submitted for the determination of the Medical Adviser to the Government.

Accounts.

The accounts to be rendered to the Police quarterly, and to specify the dates of the service, the names of the patients, and the nature of the complaints, with a special explanation justifying more than one visit to a patient in any one day.

In cases where more than one patient is medically attended during a visit to a lockup or other place, only half fee for each visit after the first is to be charged, and no mileage. This is not to refer to operations.

QUEENSLAND.

Fees to Medical Men within Radius of Two Miles from their Residence.

Ordinary visits—between 8 o'clock a.m. and 8 o'clock p.m., 10s. 6l.; between 8 o'clock p.m. and 8 o'clock a.m., £1 1s.; giving evidence, £1 1s.; minor and major operations, in addition to visiting fee, £1 1s.; lunacy cases—examination of the patient and evidence in lunacy, £1 1s.; mileage—from medical man's residence to place where patient is seen, for each mile travelled beyond second mile, 5s. *Note*.—Four miles by rail equal to one by road.

In cases where more than one patient is medically attended during a visit at a lockup or other place, only half fee for each visit after the first is to be charged, and mileage shall be charged for as if the attendance was on one person only. This is not to refer to operations.

* * When there is no special Act requiring the medical practitioner to attend, the officer should inform him that the Department has no desire to pay him any less charge than would be made by him reasonably to the public, and that his account will be dealt with fairly, and if the Department disputes it the matter will be submitted to the Medical Board for adjustment.

But in cases where the law compels a medical man to render assistance, the police should see that all requisites are first complied with.

In the case of medical attendance on prisoners and constables, where there is no salaried medical officer, the fee payable by the Department will be as per following scale:—

Fees to be Paid to Medical Practitioners for Work done for the Prisons Department.

Gaols on mainland, where there is no salaried Medical Officer: For every visit within two miles of doctor's residence, at any hour, and to any gaol, £1 1s.; for any operation, major or minor, in addition to visiting fee, £1 1s.; for examination of prisoner previous to flogging, or for witnessing flogging, £1 1s.; witnessing execution, £1 1s.; mileage—for every mile travelled over two miles, 5s. *St. Helena*: For each visit, £5 5s.

Fees for Performing Post-mortem Examinations and Giving Evidence at Inquests.

Throughout the colonies legally qualified medical men are allowed a fee of two guineas for performing a *post-mortem* examination by direction of a Coroner or J.P., and a fee of one guinea for giving evidence at an inquest, with an extra allowance of 1s. for every mile (one way only) beyond the first ten miles from the doctor's residence.

THE AUSTRALASIAN MEDICAL DIRECTORY:

CONTAINING THE NAMES OF ALL KNOWN LEGALLY QUALIFIED
PHYSICIANS, SURGEONS, AND GENERAL PRACTITIONERS RESI-
DENT IN AUSTRALIA, TASMANIA, NEW ZEALAND, FIJI, SAMOA,
TONGA, NEW HEBRIDES, AND NEW GUINEA, WITH THEIR

OBITUARY.

RECORDING THE DEATHS OF MEMBERS OF THE MEDICAL PROFESSION
IN AUSTRALASIA FROM SEPTEMBER, 1892, TO SEPTEMBER, 1896.

- ADAM, ALEXANDER, M.B. *et* Ch.M. Glas. 1880.—November, 1893, at Inglewood, Vic.
- AIRD, CHARLES MITCHELL, M.B. *et* Ch.M. Aberd. 1886.—June 22, 1894, at Esk, Q., aged 29.
- ALLEN, WILLIAM ROBERT, L. *et* L. Mid. R.C.P. *et* R.C.S. Edin. 1882.—December 30, 1892, at Kingston, Vic.
- ANDERSON, JAMES, L.R.C.P. *et* R.C.S. Edin., L.F.P.S. Glas. 1885.—March 21, 1894, at Footscray, Vic., aged 50.
- ANDERSON, ROBERT HODGSON, M.B. 1893, Ch.B. 1894, Melb.—August 8, 1895, at sea near Sydney, aged 24.
- ASHE, WILLIAM CONYNGHAM, L.R.C.S. Irel. 1879.—April 13, 1893, at Coonamble, N.S.W.
- BACHOUÉ, FELIX JAQUES DE LOSTALOT, M.D. Paris, 1876.—January 30, 1894, at Wellington, N.Z.
- BADHAM, ROBERT CHARLES, L.R.C.P. Lond., M.R.C.S. Eng. 1892, of Sydney.—June 21, 1895, at Paris, aged 28.
- BANCROFT, JOSEPH, M.D. St. And., M.R.C.S. Eng. *et* L.S.A. Lond. 1859.—June 17, 1894, at Brisbane, Q., aged 58.
- BARKER, JOHN, M.B. 1885, M.D. 1887, Durh.; M.R.C.S. Eng. 1886; L.S.A. Lond. 1885.—February 17, 1896, at Goulburn, N.S.W., aged 33.
- BARKER, THOMAS, M.D. Edin. 1829.—April 7, 1894, at Lorne, Vic., aged 89.
- BEATTIE, ROBERT ETTINGSALL, L. *et* L. Mid. K.Q.C.P. Irel. 1880, L.R.C.S. Irel. 1879, late of Camden, N.S.W.—December 7, 1895, at Dublin, Ireland, aged 43.
- BELL, THOMAS WATT, M.B., Ch.M. Edin. 1884, M.D. (*a.e.g.*) Univ., N.Z.—September 2, 1894, at Wanganui, N.Z., aged 33.
- BENNETT, GEORGE, M. 1828, F. 1859, R.C.S. Eng.; M.D. Glas. 1859.—September 29, 1893, at Sydney, aged 89.
- BLACK, THOMAS, M.D. Glas.—September 15, 1894, at St. Kilda, Melbourne, aged 95.
- BLACKWELL, RICHARD FORTUNE, M.D. Edin. 1862.—May 12, 1896, at West Maitland, N.S.W., aged 55.
- BLAIR, DAVID, M.D. Glas. 1891.—In 1893, at Lawrence (Prov. Otago), N.Z.
- BLUMENREICH, THEODORE MEYER, M.B. *et* Ch.M. Edin. 1887.—September 28, 1892, at Warren, N.S.W.
- BLYTH, DAVID, M.B., Ch.M. Glas. 1880.—November 18, 1894, at Suva, Fiji, aged 39.
- BLYTH, JOHN GRAHAM, L.R.C.S.I. 1880, L.R.C.P. Edin. 1882.—April, 22, 1895, at P.A. Hospital, Sydney, aged 41.
- BOLLEN, GEORGE, M.D. Hahnem. Coll., Ill., U.S.A.—September 22, 1892, at Port Adelaide, S.A., aged 67.
- BOMPAS, CHARLES SMITH, M.R.C.S. Eng. 1840, L.S.A. Lond. 1841.—At Busselton, W.A.
- BOND, JOSEPH FRANCIS, L.A.H. Dubl. 1858.—November 17, 1894, at Penrith, N.S.W., aged 57.
- BOWEN, THOMAS AUBREY, M.R.C.S. Eng. 1862, L. *et* L. Mid. K.Q.C.P. Irel. 1863, late of Melbourne.—July 28, 1893, in London, aged 50.
- BRANTING, KARL GUSTAF TEODOR, Memb. Caroline Med. and Surg. Instit. Stockholm, Sweden.—September, 1894, at Wellington, N.Z.
- BROWN, FERGUS MALCOLM, L. *et* L. Mid. R.C.P. Edin.; L. *et* L. Mid. F.P.S. Glas. 1871.—May, 31, 1893, at Cootamundra, N.S.W.
- BYRNE, EDWARD HENDERSON, L. Med. *et* Surg. T.C. Dubl. 1875.—January 14, 1896, at Hay, N.S.W.
- BYRNE, HUGH JOHN, L.R.C.S. Irel. 1882, L. *et* L. Mid. K.Q.C.P. Irel. 1883.—December 13, 1895, at Ross, Tas.

- CAMPBELL, ALLEN, L.F.P.S. Glas. 1835.—June 12, 1895, near Yass, N.S.W., aged 81.
- CAMPBELL, JAMES, M.D., Ch.M. Montreal 1876.—May 18, 1896, at Clunes, Vic., aged 45.
- CAMPBELL, LOFTUS, L.R.C.S. Irel. 1883; L.R.C.P. Edin. 1885.—July 26, 1894, at Barraba, N.S.W.
- CANNAN, KEARSEY, M.R.C.S. Eng. 1837.—August 19, 1894, at Brisbane, aged 79.
- CARR, THOMAS, L. *et* L. Mid. K.Q.C.P. Irel. 1887; L.R.C.S. Irel. 1888.—February 3, 1894, at South Melbourne, aged 34.
- CARROLL, WILLIAM JOSEPH, L.R.C.S. Irel. 1876.—June 9, 1896, at Wangaratta, Vic.
- CHAMBERS, MATTHEW WARDELL, M.R.C.S. Eng. 1867.—May 21, 1896, at Roseberry, Vic.
- CHAMBERS, THOMAS, L. 1860, M. 1871, F. 1875, R.C.P. Edin.; F.R.C.S. Edin. 1867; M.R.C.S. Eng. 1858.—August 23, 1896, at Sydney, aged 67.
- CHATER, ARTHUR REGINALD, L.R.C.P. Lond.; M.R.C.S. Eng. 1891.—April, 1895, at Kalgoorlie, W.A.
- CHEESMAN, HENRY, L. *et* L. Mid., R.C.P. Edin. 1878; M.R.C.S. Eng. 1862; L.S.A. Lond. 1865.—September 30, 1893, at Sydney.
- CLARKE, HORATIO ST. JOHN, M. 1842, F. 1861, R.C.S. Eng.—June 30, 1895, at Richmond, Vic., aged 76.
- CLARKSON, CHARLES HOWARD, L.R.C.P. *et* R.C.S. Edin. 1864.—November 28, 1894, at Toorak (Melbourne), Vic., aged 52.
- COLLINS, JOHN SHIELL, M.D. Qu. Univ. Irel. 1880; M.R.C.S. Eng. 1881.—September, 16, 1893, at Sydney.
- COLQUHOUN, ARCHIBALD, M.B. Glas. 1874; L.R.C.S. Edin. 1874.—November 9, 1892, at the Alfred Hospital, Melbourne, aged 42.
- COOK, JOHN THOMAS ROBERT, M.B. 1890, Ch.B. 1891, Melb.—April 18, 1896, at Turanville, near Scone, N.S.W., aged 27.
- COVERDALE, JOHN, M.D., Ch.M. Glas. 1835.—June 23, 1896, at Glenorchy, Tas., aged 82.
- CRAMPTON, JOHN SAMUEL, L.R.C.P. *et* R.C.S. Edin. 1875.—October 2, 1893, at New Norfolk, Tas.
- CROSSEN, HENRY, L.F.P.S. Glas. 1851.—July 29, 1895, at Echuca, Vic., aged 72.
- CUTTS, WILLIAM HENRY, Junr., M.B. 1883, Ch.B. 1884, Melb.—September 26, 1894, at Oakleigh, Vic., aged 34.
- DANIEL, FREDERICK, L.F.P.S. Glas. 1852.—September 10, 1892, at North Fitzroy (Melbourne), Vic., aged 79.
- DAVIS, GEORGE FREDERICK, L.R.C.S.I. 1853.—In 1895, at St. Mary's, Tas.
- DEGNER, CHARLES HENRY, M.D. Göttingen, 1844, State's Exam.—September 17, 1892, at Sydney, N.S.W., aged 73.
- DESHON, FREDERICK PETER, L.S.A. Lond. 1869, M.R.C.S. Eng. 1870.—January 23, 1896, at Beechworth, Vic.
- DE ZOUCHE, ISAIAH, M.D. Q. Univ. Irel. 1865, M.R.C.S. Eng. 1864, of Dunedin, N.Z.—November 4, 1894, at Clifton Springs, near New York, U.S.A., aged 55.
- DICKSON, BENJAMIN DEVONSHER, M.D. *et* Ch.B. Dubl. 1886, L.A.H. Dubl. 1889.—March 23, 1894, at Tarnagulla, Vic., aged 33.
- DIXSON, CRAIG, M.B. *et* Ch.M. Edin., M.R.C.S. Eng. 1878, M.D. Syd. 1882, F.R.C.S. Ed. 1882.—September 4, 1894, at Carlingford, near Sydney, aged 45.
- DOBBIN, WILLIAM SINCLAIR, M.B., Ch.B. Dubl. 1885, F.R.C.S. Irel. 1886.—June 13, 1895, at Narrandera, N.S.W.
- DOUGLAS, ALFRED WILLIAM, L.R.C.P. *et* R.C.S. Edin., L.F.P.S. Glas. 1888.—August 28, 1894, at Cootamundra, N.S.W.
- DOWD, CHARLES JOHN MITCHELL, M.R.C.S. Eng. 1860.—October, 1894, at Pakenham, Vic.
- DUFF, JOHN, M.D. *et* Ch.M. Qu. Univ. Ont. 1889; M.C.P.S. Ont. 1889; L. *et* L. Mid. R.C.P. *et* R.C.S. Edin. 1889; L.F.P.S. Glas. 1889.—October 17, 1892, at Mullagh Station, near Harrow, Vic., aged 26.
- DURET, CHARLES, M.D. Paris, 1856, of South Melbourne.—December 28, 1894, at Nice (France), aged 66.
- DYSON, THOMAS SHEPPARD, M.R.C.S. Eng. *et* L.S.A. Lond. 1879.—April 20, 1893, at Thursday Island, Q.
- EAGAR, FRANCIS SIDLEY MACGILLICUDDY, L. *et* L. Mid. R.C.P. *et* R.C.S. Edin. 1884.—September 30, 1892, at Burrowa, N.S.W.

- ELLISON, JOHN CLEMENT, M.R.C.S. Eng. 1881, M.B. Lond. 1882.—July 9, 1894, at Brisbane.
- ELMES, THOMAS, M.R.C.S. Eng. 1863, L.K.Q.C.P. Irel. 1864.—December 8, 1893, at Berwick, Vic., aged 54.
- EMBLING, THOMAS, M.R.C.S. Eng. 1837, L.S.A. Lond. 1838.—January 17, 1893 at Hawthorn (Melbourne), Vic., aged 79.
- FISH, ROBERT, M.R.C.S. Eng. 1854, L.S.A. Lond. 1855.—In 1895, at Geraldine (Canterbury), N.Z.
- FISHER, ALEXANDER, L.R.C.S. Edin. 1851.—March 20, 1894, at Melbourne, aged 63.
- FLETCHER, EDWARD, M.R.C.S. Eng. 1846.—April 24, 1893, at Carlton (Melbourne), Vic., aged 69.
- FORBES, HENRY FARQUHARSON, M.B. *et* Ch.M. Aberd. 1886.—September 24, 1892, at Charters Towers, Q., aged 28.
- FORD, FREDERICK THOMAS WEST, M.R.C.S. Eng. 1848, formerly of Melbourne.—November 5, 1895, at Cheltenham (Eng.), aged 73.
- FYFFE, BENJAMIN, M.R.C.S. Eng. 1860, L.R.C.P. Lond. 1874.—December 19, 1894, at Fitzroy (Melbourne), aged 58.
- GALBRAITH, JAMES, L.R.C.S. Ed. 1850, M.D. Melb. 1879.—In August, 1894, at Invercargill, N.Z.
- GIBLIN, EDWARD OWEN, M.R.C.S. Eng. 1874, M.B. *et* Ch.M. 1876, M.D. 1878, Aberd., of Hobart.—September 27, 1895, at Launceston, Tas.
- GIRDLESTONE, HENRY, M.R.C.S. Eng. 1839, L.S.A. Lond. 1840.—January 22, 1895, at Sandgate, Q., aged 81.
- GOODE, ERNEST HOWARD, L.R.C.P. *et* R.C.S. Edin. 1884.—May 8, 1893, at Granville, N.S.W., aged 35.
- GOW, NORMAN, L.R.C.S. Ed. 1840.—June 23, 1893, at Guildford, Vic.
- GRAHAM, FRANCIS BEATTIE, L.R.C.S. Edin. 1845.—Near Hokianga (Prov. Auckland), N.Z.
- GRAHAM, GEORGE, M.R.C.S. Eng. 1851, M.B. *et* M.D. Melb. 1862, late of Richmond (Melbourne).—June 28, 1893, at sea, on board s.s. "Thermopylæ," aged 64.
- GRIFFIN, JOHN HENRY, M.D. Brux., F.R.C.S.I., L.R.C.P. Lond., Dipl. Publ. Health R.C.I. 1889.—July 1, 1893, at Brisbane.
- GRIFFITH, THOMAS NUGENT, L.R.C.P. Ed. 1876, M.R.C.S. Eng. 1877.—July 26, 1893, at Petersham, near Sydney, aged 41.
- GUNST, JEAN WERNER, M.D. Leyden, 1847.—April 19, 1894, at Melbourne, aged 69.
- HADEN, EDWARD CRESWELL, M.R.C.S. Eng. 1863, L.S.A. Lond. 1864.—May 31, 1896, at North Adelaide, S.A., aged 58.
- HAIG, WILLIAM, M.D. Maryland, U.S.A. 1848.—June 28, 1893, at South Melbourne, aged 70.
- HARPER-CREWE, CHARLES NORTON, L.S.A. Lond. 1876.—June 14, 1895, at Marrickville, near Sydney, aged 51.
- HARRICKS, JOHN HUGH, M.R.C.S. Eng. 1873, L.K.Q.C.P. Irel. 1880.—July 10, 1896, at Maryborough, Q.
- HARRINGTON, RICHARD HENRY, L.F.P.S. Glas. 1839.—September 25, 1892, at Warrnambool, Vic., aged 74.
- HAWKINS, WILLIAM ROBERT, M.D., Ch.M. Roy. Univ. Irel. 1885, L. Mid. K.Q.C.P. Irel. 1885.—January 24, 1896, at Goodooga, N.S.W., aged 34.
- HAYDEN, JAMES AUGUSTUS, M.R.C.S. Eng., L.S.A. Lond. 1866.—July, 1896, at Foster, Vic.
- HEALE, ALFRED LAWSON, M.R.C.S. Eng. 1873, L.R.C.P. Lond. 1888, L.S.A. Lond. 1874, M.D. Brux. 1888.—December 20, 1895, at Gisborne, N.Z.
- HEARN, WILLIAM EDWARD LE FANU, M.B. Melb. 1876, L. *et* L. Mid. K.Q.C.P. Irel. 1885.—February 16, 1893, at Carnarvon, W.A.
- HENDERSON, COLIN, M.D., Ch.M. Aberd. 1876, L. *et* L. Mid. R.C.P. *et* R.C.S. Edin. 1859, of Castlemaine, Vic.—November 10, 1894, at San José, California.
- HENRY, JOSEPH, L.R.C.S. Irel. 1862, L.R.C.P. Lond. 1880.—April 10, 1894, at Wellington, N.Z.
- HITCHINGS, THOMAS, M.R.C.S. Eng. *et* L.S.A. Lond. 1838.—March, 1894, at Napier, N.Z.

- HOCHÉ, EDWARD, M.D. Berl.—June 3, 1895, at Salomontown, near Port Pirie, S.A.
- HOLDSWORTH, SAMUEL REYNER, L.R.C.P. *et* R.C.S. Edin. 1877; L.S.A. Lond. 1876.—In Tasmania.
- HOMAN, FREDERICK, L.F.P.S. Glas. 1855.—February 18, 1893, at Melbourne, aged 75.
- HONEYMAN, JOHN HAY, L. *et* L. Mid. R.C.P. *et* R.C.S. Ed. 1878 (late of Auckland).—Early in 1895, in London, Eng.
- HOOD, JAMES JARVIE, M.B., Ch.M., D.P.H. Glas. 1890.—December 26, 1894, at Grafton, N.S.W., aged 29.
- HORNECK, SAMUEL, L.R.C.S.I. 1884; L. *et* L. Mid. K.Q.C.P. Irel. 1885.—October 19, 1895, at Adelaide, S.A., aged 35.
- HOVELL, CHARLES HENRY JOHN, M.R.C.S. Eng. 1860 (late of Coromandel, N.Z.)—March 14, 1893, on board the R.M.S. "Monowai," between Honolulu and Auckland.
- HOWLIN, JAMES, L. *et* L. Mid. F.P.S. Glas. 1860, L.K.Q.C.P. Irel. 1861.—May 3, 1895, at Dalby, Q., aged 57.
- HUTCHINSON, BENJAMIN CLAY, M.D. Edin. 1855, M.D. (*a.e.g.*) Melb. 1884.—January 5, 1895, aged 60.
- HUTCHISON, FERDINAND WILLIAM, M.R.C.S. Eng. 1841.—May 20, 1893, at Leichhardt (Sydney), N.S.W., aged 74.
- HUXTABLE, LOUIS RALSTON, M.B., Ch.M. Edin. 1881.—July 30, 1895, in Sydney, aged 39.
- INNES, FRANCIS WILLIAM, M.B. *et* Ch.M. Edin. 1881.—July 29, 1894, at Napier, N.Z.
- ISDELL, L'ESTRANGE, L. *et* L. Mid. K.Q.C.P. Irel. 1880, L.R.C.S. Irel. 1879.—June, 1893, at Marton, N.Z.
- JACKSON, CHARLES GRANVILLE, L.K.Q.C.P. Irel. 1885.—In 1894, at Scottsdale, Tas.
- JACKSON, JAMES KENNEDY, M.B. Melb. 1893.—April 15, 1896, at Norseman, W.A., aged 30.
- JEE, HENRY CHRISTIAN, M.R.C.S. Eng. 1877, L. *et* L. Mid., R.C.P. Edin. 1881, late of Alexandra, Vic.—September 30, 1893, at Hong Kong, aged 37.
- JOHANSEN, JOHANN PETER ERNEST FERDINAND, M.D. Berl. 1872.—April, 1895, at Richmond (Prov. Nelson), N.Z., aged 48.
- JOHNSTON, ALEXANDER, M.D. St. And. 1867, M.R.C.S. Eng. 1850, L.S.A. Lond. 1853, late of Wellington, N.Z.—In October, 1895, in England.
- JONASSON, HERMANN, M.D. Wurzb. 1846, M.D. Melb. 1864.—October 11, 1895, at Melbourne, aged 70.
- JONES, SHADRACH EDWARD ROBERT, M.R.C.S. Eng. 1843, M.D. St. And. *et* L.S.A. Lond. 1844.—July 15, 1895, at Raymond Terrace, N.S.W., aged 73.
- KELLY, EDMUND, M.B. Dubl. 1835, M.B. (*a.e.g.*) Melb. 1867.—October 3, 1894, at Moonee Ponds, Vic., aged 92.
- KENDALL, PETER SLADE, L.R.C.P. *et* R.C.S. Edin. 1879.—June 11, 1895, at Petersham, near Sydney, aged 41.
- KENDERDINE, THOMAS BRUTON, M.R.C.S. Eng., L.S.A. Lond. 1849.—December 1, 1894, at Auckland, N.Z.
- KERR, JOHN ALOYSIUS, M.B., Ch.M. Glas. 1884, late of Snowtown, S.A.—In 1896, in Ireland.
- KENNEDY, JOHN MICHAEL, L.R.C.S. Irel. 1881.—April 12, 1896, at Gloucester, N.S.W.

CLIMATIC AND SEA-SIDE HEALTH RESORTS

IN

AUSTRALIA, TASMANIA & NEW ZEALAND.

* * *There are a number of good hotels and boarding-houses in all the places mentioned in this list.*

NEW SOUTH WALES.

ADAMINABY—Over 3000 feet above sea-level, 295 miles S.W. of Sydney. Climate most bracing and invigorating. *Season*: November to March. Dr. Cassidy could accommodate six convalescents.

ALBURY—531 feet above sea-level) 386 miles (by rail) S. from Sydney, 190 miles (by rail) N.E. from Melbourne, and 170 miles from the coast. A flourishing town, picturesquely situated on the Murray River. The surrounding scenery is very pretty, and the climate salubrious and pleasant. The mean maximum temperature, in the shade, during the hottest month is 93.5° F., and the mean minimum temperature during the coldest month 34.3° F., the mean annual temperature is 60.2° F., and the mean daily range 28.1° F. The average annual amount of rainfall is 27 inches, with 85 rainy days in the year. *Special Indications*: Diseases of the chest. *Season*: April to November.

ARMIDALE—3,313 feet above sea-level, 335 miles N. of Sydney, and 80 miles from the coast, the chief town of New England, a district of extreme beauty and fertility. The scenery is very picturesque, and the climate is bracing and cool. The mean annual temperature in the shade is 56.2° F., the mean maximum temperature in the shade during the hottest month 87.3° F., and the mean minimum temperature during the coldest month 26.6° F., the mean daily range 30.8° F., and the nights are always cool. The average annual amount of rainfall is 39.56 inches, with 102 rainy days in the year. *Special Indications*: Consumption in its early stages. *Season*: From October to April.

BATHURST—2,153 feet above sea-level, 145 miles (by rail) W. from Sydney, and 98 miles from the coast. The climate is extremely healthy and invigorating, though frequently very cold in the winter months. The mean maximum temperature in the shade during the hottest month is 86.8° F., and the mean minimum temperature during the coldest month 28.1° F., the mean annual temperature is 56.8° F., the mean daily range 29.9° F., and the average annual amount of rainfall 23.22 inches, with 74 rainy days in the year. *Special Indications*: Convalescence. *Season*: October to April.

BLACKHEATH—3,494 feet above sea-level, 73 miles (by rail) W. from Sydney. There are numerous mountain springs in the district, the water of which is very fine and of the purest quality. *Climate*—*Special indications and season* are the same as at Mount Victoria.

BOWENFELS—2,972 feet above sea-level, 97 miles (by rail) W. from Sydney, and 78 miles from the coast, situated on the western slopes of the Blue Mountains. The surrounding country is mountainous and well wooded, with splendid scenery. The climate in summer is very mild, dry, and equable, and all through the year it is most invigorating and salubrious. *Special Indications*: For convalescents; (not suitable for advanced phthisis.)

BOWRAL—2,171 feet above sea-level, 80 miles (by rail) S. from Sydney, and 30 miles from the coast. A pretty little town at the foot of the "Gib," surrounded by open meadows, grassy slopes, and gentle undulations. Noted for its extreme healthiness, which is attracting numbers of well-to-do residents of Sydney during the heat of summer. The atmosphere is dry and exhilarating. The average annual rainfall is 28.41 inches with 97 wet days.

NEW SOUTH WALES—*continued.*

BREWARRINA—515 miles N.W. of Sydney. The climate is very warm and dry. *Special Indications*: Chronic lung diseases. *Season*: April to November. Dr. Luker could accommodate one or two patients.

BURRADOO—2,168 feet above sea-level, 82 miles (by rail) S. from Sydney, and 24 miles from the coast. A charming summer retreat.

CAMDEN—42 miles S.W. of Sydney, and 24 miles from the coast, pleasantly situated on the river Nepean, in a vine-growing district; dry, salubrious climate. The average annual rainfall is 21.18 inches, with 31 wet days.

CAMPBELLTOWN—210 feet above sea-level, 34 miles (by rail) S. from Sydney, and 18 miles from the coast. Eminently healthy and picturesque. Soil much impregnated with salt and mineral substances. The average annual rainfall is 22.77 inches, with 74 wet days.

CHOWDER BAY—A favourite watering-place, prettily situated on the northern shore of Port Jackson, 6 miles (by steamer) from Sydney. Sea-bathing.

COOGEE BAY—A favourite watering-place, 5 miles (by tram) S. from Sydney, beautifully situated on the Pacific Ocean. Sea-bathing.

CROOKWELL—2,995 feet above sea-level, 160 miles S. of Sydney, and 76 miles from the coast, pleasantly situated on the Crookwell River, well sheltered from cold, westerly winds. The climate is healthy and bracing, the temperature dry and equable. The average annual rainfall is 28.73 inches, with 94 wet days. The scenery is varied and pleasing. *Special Indications*: Lung diseases, general debility. *Season*: From November to March.

DUBBO—865 feet above sea-level, 278 miles (by rail) N.W. from Sydney, and 182 miles from the coast, situated on the Macquarie River. The climate is warm and dry, and very efficacious in chest diseases. The average annual rainfall is 22.26 inches, with 75 wet days. The mean maximum temperature in the shade in 1885 was 80° F., the mean minimum temperature 48.6° F., and the mean temperature 64.3° F.

EDEN—107 feet above sea-level, 283 miles (by steamer) S. from Sydney, a sea-side health resort on the north shore of Twofold Bay. The town is built on the slopes of, and in the valley formed by, two hills, and is well sheltered from all winds. The district is mountainous, and the climate mild and very salubrious. The mean maximum temperature during the hottest month is 76° F., the mean minimum temperature during the coldest month 43° F., and the mean annual temperature 60° F. The mean annual rainfall is 36 inches, with 116 wet days. Sea-bathing. *Special Indication*: Consumption. *Season*: Throughout the year.

GLEN INNES—3,518 feet above sea-level, 399 miles N. of Sydney, and 90 miles from the coast, prettily situated at the foot of a hill in Central New England. The climate is cool and salubrious; the air pure and bracing. The mean maximum temperature in the shade in 1885 was 74.2° F., the mean minimum temperature 45.6° F., and the mean temperature 60° F. The average annual rainfall is 33.79 inches, with 97 wet days. *Special Indications*: All debilitating diseases. *Season*: During the summer months.

GOSFORD—50 miles N. of Sydney, situated on the shore of Brisbane Water, on the north side of Broken Bay, the estuary of the picturesque Hawkesbury River. The country is very broken, the surrounding scenery is beautiful, and the climate is genial. Fruit is extensively grown. Sea-bathing.

GOULBURN—2,071 feet above sea-level, 134 miles (by rail) S. from Sydney, and 54 miles from the coast. The scenery is pretty, and the climate is temperate and bracing at all seasons. The mean maximum temperature in the shade during the hottest month is 84.3° F., and the mean minimum temperature during the coldest month 32.2° F.; the annual mean temperature is 55° F., and the mean daily range 25.4° F. The average annual amount of rainfall is 24.188 inches, with 96 rainy days in the year. *Special Indications*: For convalescents. *Season*: October to April.

KATOOMBA—3,349 feet above sea-level, 66 miles (by rail) W. from Sydney, and 58 miles from the coast, in the midst of the Blue Mountains, commanding magnificent views of the surrounding beautiful scenery. The climate is equable and invigorating. The total rainfall in 1886 was 42.22 inches, with 107 wet days. The summer temperature seldom exceeds 75° F. *Special Indications*: General debility, nervous affections, liver complaints. *Season*: From October to April.

NEW SOUTH WALES—*continued.*

KIAMA—An important sea-port town, 92 miles S. of Sydney, pleasantly situated in a rich dairy-farming district. The surrounding country is mountainous, and the scenery extremely beautiful. Splendid climate. The annual rainfall is about 42 inches, with 122 wet days. Sea-bathing. *Special Indications*: For convalescents, nervous affections, liver complaints, general debility.

KURRAJONG HEIGHTS—1,870 feet above the level of the sea, 48 miles W. of Sydney, and 35 miles from the coast, a picturesque district, with an equable, extremely salubrious and invigorating climate. The average annual rainfall is 49·64 inches, with 112 wet days. The mean maximum temperature in the shade in 1885 was 60·3° F., the mean minimum temperature 46·6° F., and the mean temperature, 53·5° F. The scenery, consisting of waterfalls, gorges, dells, and forests, is extremely beautiful; there are magnificent views of the surrounding country. The district abounds in extensive orange-ries. *Special Indications*: Alcoholism (nearest hotel, 8 miles), nervous disorders, diseases of the chest, and for convalescents.

LAKE GEORGE—2,129 feet above sea-level, 177 miles (by rail to Bungendore) S. of Sydney, and 56 miles from the coast, a very extensive sheet of water, 25 miles long by 8 miles wide, situated in a depression between two ranges of hills, some of which, on the western side, rise to 1,500 feet above the lake. The mean maximum temperature in the shade during the hottest month is 72·2° F., and the mean minimum temperature during the coldest month 49·1° F., the mean annual temperature is 56·3° F., and the mean daily range 27·1° F. The average annual amount of rainfall is 27·190 inches, with 129 rainy days in the year.

LAKE MACQUARIE—65 miles N. of Sydney, a picturesque inlet of the sea, nearly 20 miles in length, and from 3 to 6 miles in breadth, one of the most beautiful and healthy localities in the colony, 12 miles S. of Newcastle. The scenery is very pretty, and the climate is mild, yet bracing, with a warm, dry, and equable temperature. Sea-bathing. *Special Indications*: Pulmonary affections, especially phthisis; also for convalescents. *Season*: From September to April.

LADY ROBINSON'S BEACH—8½ miles from Sydney, a favourite place of resort, celebrated for the beauty of its surroundings, and the purity of the water. Sea-baths.

LAWSON—2,399 feet above sea-level, 58 miles (by rail) W. from Sydney. Much resorted to by invalids, who can here without fatigue enjoy the mountain scenery, and the pure, invigorating air.

MANLY—The most popular watering place of the colony, situated at the head of North Harbour, 9 miles (by steamer) N.E. from Sydney. The mean annual temperature is 61° F., and the mean daily range 16° F. The average annual amount of rainfall is 48 inches. Sea-bathing both on the ocean and harbour sides.

MITTAGONG—2,069 feet above sea-level, 77 miles (by rail) S. from Sydney, and 28 miles from the coast. The scenery is of a most picturesque and romantic character. The annual average rainfall is 20·35 inches, with 63 wet days. Cold ferruginous waters; one of the numerous chalybeate springs, situated a short distance from the town, flows into a small well, bricked round for the convenience of invalids.

MOSS VALE—2,205 feet above sea-level, 86 miles (by rail) S. from Sydney, and 31 miles from the coast. The climate is bracing. The mean maximum temperature in the shade is about 64° F., the mean minimum temperature 48° F., and the mean temperature 56° F. The average annual rainfall is 40·63 inches, with 111 wet days. *Season*: November to April.

MOUNT VICTORIA—3,490 feet above sea-level, 77 miles (by rail) W. from Sydney, and 61 miles from the coast, on the Blue Mountains, noted for its dry and bracing atmosphere and the grandeur of its scenery. During the summer season a very favourite place of resort for invalids. The mean maximum temperature in the shade is about 63° F., the mean minimum temperature 47° F., and the mean temperature 53° F. The average annual rainfall is 35·44 inches, with 91 wet days. *Special Indications*: General debility, nervous affections, liver complaints. *Season*: From October to April.

MURRURUNDI—1,546 feet above sea-level, 192 miles N. of Sydney, and 94 miles from the coast, beautifully situated at the foot of the Liverpool range of mountains. The scenery is picturesque and mountainous. Fine, bright and dry climate. The mean maximum temperature in the shade is about 72° F., the mean minimum temperature 53° F., and the mean temperature 62° F. The average annual rainfall is 30·35 inches, with 64 wet days. Cool summer evenings. Mt.

NEW SOUTH WALES—*continued.*

Wingen, or the "Burning Mountain," 2,000 feet high, much resorted to for asthma, is 14 miles distant. *Special Indications*: Pulmonary complaints, especially asthma. *Season*: Throughout the year.

ORANGE—2,891 feet above sea-level, 192 miles (by rail) W. from Sydney, and 124 miles from the coast, an important inland town noted for its bracing climate. The mean maximum temperature in the shade is about 66° F., the mean minimum temperature 44° F., and the mean temperature 55° F. The average annual rainfall is 36·49 inches, with 103 wet days.

PICTON—549 feet above sea-level, 53 miles (by rail) S. from Sydney, and 21 miles from the coast. A favourite health resort, prettily situated in a valley. Climate salubrious. The mean annual rainfall is 23·35 inches, with 100 wet days. The mean maximum temperature in the shade is about 72° F., the mean minimum temperature 50° F., and the mean temperature 60° F. *Special Indications*: Phthisis. *Season*: Throughout the year.

PITTWATER—19 miles N. of Sydney, a charming district, beautifully situated at the head of Pittwater, on the S.W. side of Broken Bay, the estuary of the picturesque Hawkesbury River. The country is undulating, and the scenery lovely, the climate is mild and balmy; it is well sheltered from all winds. This district has been described as the future sanatorium of the colony. Sea-bathing.

PORT MACQUARIE—49 feet above sea-level, 240 miles (by steamer) N. from Sydney, picturesquely situated on the sea-coast, on the south side of the river Hastings. The scenery is very fine. The climate is mild and balmy, similar to that of Lisbon. The mean maximum temperature in 1885 was 74·2° F., the mean minimum temperature 56·2° F., and the mean temperature 65·2° F. The average annual rainfall is nearly 58 inches, with 114 rainy days in the year. Sea-bathing. *Special Indications*: Bronchial affections.

QUIRINDI—1,278 feet above sea-level, 217 miles N. of Sydney, and 115 miles from the coast. Very fine scenery and mild, dry climate. The mean maximum temperature in the shade in 1885 was 79·7° F., the mean minimum temperature 54·1° F., and the mean temperature 66·9° F. The average annual rainfall is 23·44 inches, with 60 rainy days. *Special Indications*: Pulmonary affections, especially asthma. *Season*: From October to April.

RYLSTONE—1,993 feet above sea-level, 158 miles (by rail) N.W. from Sydney, and 95 miles from the coast. The climate is dry and extremely healthy, while in its neighbourhood are many charming views of valleys, mountains, and of the Cudgegong River. The average annual rainfall is 24·22 inches, with 56 wet days. *Special Indications*: Pulmonary affections.

SCONE—680 feet above sea-level, 167 miles N. of Sydney, and 78 miles from the coast, pleasantly situated on the Kingdon Ponds, bears a high character for healthiness. The climate is warm in summer and agreeable in winter. The average annual rainfall is 21·71 inches, with 51 wet days. The mean maximum temperature in the shade in 1885 was 74·5° F., the mean minimum temperature 52·6° F., and the mean temperature 63·6° F. Grand mountain scenery. Mount Wingen, a burning mountain (10 m.), much resorted to for asthma. *Special Indications*: Pulmonary affections, especially asthma.

SPRINGWOOD—1,216 feet above sea-level, 42 miles (by rail) W. from Sydney; a favourite resort, said to be one of the finest places for all kinds of ferns, pleasantly situated on the eastern slopes of the Blue Mountains. The climate is equable, exhilarating, and dry; fresh and cool in summer, and not too cold in winter. The annual rainfall is 31 inches, with 107 wet days. The mean maximum temperature in 1885 was 68·9° F., the mean minimum temperature 51·9° F., and the mean temperature 60·4 F.

SUTTON FOREST—2,200 feet above sea-level, 89 miles S. of Sydney, and 30 miles from the coast. A favourite summer retreat, prettily situated; the country is gently undulating. The average annual rainfall is 24·11 inches, with 65 wet days.

TENTERFIELD—2,827 feet above sea-level, 475 miles N. of Sydney, and 80 miles from the coast, beautifully situated on a plain, at the head of the river Dumaresq, surrounded by lofty hills. The scenery is magnificent, and the climate extremely salubrious. The average annual rainfall is 30·72 inches, with 72 wet days. The mean maximum temperature in the shade in 1885 was 75·3° F., the mean minimum temperature 46·4° F., and the mean temperature 60·9° F. *Special Indications*: General debility. *Season*: November to March.

NEW SOUTH WALES—*continued.*

ULLADULLA—159 miles (by steamer) S. from Sydney, a small watering-place on the coast, in a dairy-farming and vine-growing district. The country is undulating, and the scenery is varied and picturesque. The climate is warm and equable, and the heat in summer is tempered by sea breezes; the temperature is fairly moist. The average annual rainfall is nearly 45 inches, with 112 wet days. The mean temperature is about 65° F., and frosts are almost unknown. Sea-bathing. *Special Indications*: Pulmonary affections.

WALCHA—3,386 feet above sea-level, 309 miles N. of Sydney, and 85 miles from the coast, beautifully situated on the river Apsley, has a salubrious and bracing climate, combined with splendid scenery. The average annual rainfall is 26·37 inches, with 108 wet days. The mean maximum temperature in the shade is about 68° F., the mean minimum temperature 44° F., and the mean temperature 56° F.

WATSON'S BAY—7 miles (by steamer) from Sydney, a favourite watering-place on South Head, at the entrance to Port Jackson, with high rocks in the background, affording splendid views all round. The mean maximum temperature in the shade during the hottest month is 82·5° F., and the mean minimum temperature during the coldest month 46·6° F.; the mean annual temperature is 61·7° F., and the mean daily range 16·5° F. The average annual amount of rainfall is 48·236 inches, with 133 rainy days in the year. Sea-bathing.

WELLINGTON—995 feet above sea-level, 248 miles (by rail) N.W. from Sydney, and 165 miles from the coast, very prettily situated on the banks of the Macquarie River, at the foot of some high, heavily timbered hills; well sheltered by ranges of mountains from the hot, dry winds in summer, and from the bleak winds in winter. The scenery is exceedingly pretty, and the climate is dry, warm, and equable. The summer (from November to February) is hot, but the atmosphere is always particularly dry and clear; during the remainder of the year the climate is exceedingly pleasant and exhilarating. The mean temperature in summer is 80° F., and in winter 60° F. The mean annual rainfall is 23 inches, with 49 wet days. The drinking water contains a large percentage of lime salts. *Special Indications*: All chest diseases, especially consumption, chronic bronchitis, asthma, general and nervous debility; rheumatism is likewise benefitted. *Season*: Throughout the year.

WOLLONGONG—67 feet above sea-level, 66 miles S. of Sydney, a sea-side health-resort, prettily situated on the coast, at the foot of Mt. Keira. The centre of the far-famed Illawarra district. Grand and varied mountain and ocean scenery, splendid climate. The mean maximum temperature in the shade is 73° F., the mean minimum temperature 55° F., and the mean temperature 64° F. The average annual rainfall is about 38 inches, with 73 wet days. Sea-bathing. Dr. J. Kerr could accommodate two convalescents at his own residence, "Cormiston," standing within its own grounds of four acres; tennis, &c.

WOODFORD—2,191 feet above sea-level, 55 miles (by rail) W. from Sydney. Noted for its fine bracing atmosphere, which resembles that of the more elevated portions of the west of England.

YAMBA—About 200 feet above sea-level, 307 miles (by steamer) N.E. from Sydney, a favourite seaside resort of the residents of the Clarence River district, at the entrance of the Clarence, on the South Head overlooking the sea; about 48 miles from Grafton. The scenery is wild and romantic, and the climate pleasant, but not suitable for pulmonary affections. Good sea-bathing. *Special Indications*: For convalescents. *Season*: Summer and spring.

 QUEENSLAND.

BUNDABERG—272 miles (by steamer) N.W. from Brisbane, the port of a rich agricultural and sugar-growing district, on the Burnett River, in close proximity to the sea, noted for the salubrity of its climate. Average rainfall 30 inches, with 80 wet days. Summer heat seldom exceeds 90° F. in the shade.

CABARLAH—Nearly 3,000 feet above sea-level, 14 miles from Toowoomba. The surrounding country is mountainous, the scenery beautiful, and the climate equable and bracing. Mrs. Merritt, of "Fernbank," Cabarlah, could accommodate six convalescents.

QUEENSLAND—*continued.*

CLEVELAND, 20 miles E. of Brisbane, a favourite watering-place on the shores of Moreton Bay. The total rainfall in 1884 was 48 inches, with 79 wet days. Oranges and bananas are extensively grown. Sea-baths.

DALBY—1,123 feet above sea-level, 152 miles (by rail) W. of Brisbane, and 112 miles from the coast, in the pastoral district of Northern Downs. The climate is dry and bracing. The annual rainfall is about 18 inches, with 62 wet days.

HERBERTON—Over 2,000 feet above sea-level, 900 miles N.W. of Brisbane, and 50 miles from the coast, situated on the Wild River, is destined to become a health resort. The scenery is very fine, and the climate dry, cool and very salubrious. About 25 miles from Herberton are the Innot thermal springs, with a very good bush hotel for invalids.

HEWITTVILLE, OR EMU PARK. 28 miles N.E. from Rockhampton, and 20 miles N. of the entrance to the Fitzroy River, a fashionable watering place on the Pacific coast, prettily situated on a plateau, over 50 feet above sea-level, enclosed on the land side, in horseshoe form, by a chain of bald hills rising to a height of 500 feet. The view towards the east of the sea and the numerous islands is very beautiful. The temperature, though generally refreshingly cool, is liable to sudden changes, especially at night. Sea-bathing at all times.

IPSWICH, 65 feet above sea-level, 23 miles (by rail) S.W. from Brisbane, and 28 miles from the coast, pleasantly situated on the Bremer River. Climate very salubrious. The annual rainfall is about 33 inches, with 104 wet days.

MOUNT PERRY—2,500 feet above sea-level, 200 miles N.W. of Brisbane, and 60 miles from the coast, situated at the foot of Mt. Perry. The surrounding country is mountainous and the scenery extremely beautiful. The climate is fairly dry and very salubrious. English fruits are grown here. There are a number of highly mineralised springs in the district, containing iron, magnesia, and soda, and having a temperature of from 65° F. to 75° F. *Special Indications*: Chest diseases, especially asthma, bronchitis, plenrisy; also for convalescents.

PIALBA—22 miles N. of Maryborough, a favourite watering-place, prettily situated on the shore of Hervey Bay. Bracing climate. Abundance of oysters. *Special Indications*: General debility, incipient phthisis, chronic bronchial catarrh.

ROMA—978 feet above sea-level, 317 miles (by rail) N.W. from Brisbane, and 260 miles from the coast, the principal town in the Western District. Vine and oranges are extensively grown; fine climate. The average annual amount of rainfall is 38 inches. *Special Indications*: Phthisis.

SANDGATE—13 miles (by rail) N. from Brisbane, a much-frequented watering-place, pleasantly situated on the shores of Moreton Bay. Sea-baths.

SOUTHPORT—46 miles S.E. of Brisbane, a favourite watering-place on the coast, at the mouth of the Nerang River, surrounded by magnificent scenery. The total rainfall in 1884 was 82 inches, with 79 wet days. Sea-baths; hot salt-water baths; fine jetty, 800 feet long. *Special Indications*: All chest diseases. *Season*: Throughout the year.

STANTHORPE—2,656 feet above sea-level, 207 miles (by rail) S.W. from Brisbane, and 90 miles from the coast, near the southern border. The climate is dry and very invigorating. The days are warm, but the evenings are always cool. The total rainfall in 1884 was 18 inches, with 62 wet days. The surrounding country is mountainous, and the scenery is grand and beautiful. *Special Indications*: Phthisis, and all diseases requiring a bracing climate.

TOOWOOMBA—1,921 feet above sea-level, 100 miles (by rail) W. from Brisbane, and 80 miles from the coast, the most important town on the western slope of the main range on the Darling Downs, the so-called "Garden of Queensland." The climate is very fine, cool, and bracing; cool nights in summer; the winter is rather cold. The mean maximum temperature in summer is about 82° F. The total rainfall is about 29 inches, with 95 wet days. Vines and oranges are extensively grown. *Special Indications*: General debility, convalescence from fever and ague. *Season*: From October to April.

YEPPOON—40 miles N.E. from Rockhampton, a rising watering-place on the Pacific coast, surrounded by wooded hills. The scenery is very pretty. There are lovely fern-tree gullies, dells, forests, &c.; also, splendid views of the sea, dotted with numerous islands and rocks. The temperature is very equable. The heat of the summer is tempered by fresh and invigorating breezes from the sea, and the climate in autumn and spring is delightful. Fine sheltered beaches; sea-bathing. *Special Indications*: General debility, convalescence.

SOUTH AUSTRALIA.

ALDGATE—1,392 feet above sea-level, 12 miles E. of Adelaide, a favourite summer resort, in a fruit growing district.

BRIGHTON, 9 miles S.W. from Adelaide, a favourite sea-side resort, prettily situated on the shores of the Gulf of St. Vincent. Jetty, affording a pleasant promenade. Sea-bathing.

ECHUNGA, 21 miles S.E. of Adelaide, a favourite summer-resort. The climate is very salubrious, and the surrounding country is considerably elevated and of a hilly character. The annual rainfall is about 27 inches.

EDITHBURGH, 50 miles (by steamer) S.W. from Adelaide, a fashionable watering-place, pleasantly situated on the eastern shore of Yorke's Peninsula. The mean annual rainfall is nearly 18 inches. Sea-bathing.

GLENELG, 6½ miles (by rail) S.W. from Adelaide, the most frequented watering place of the colony, situated on the shores of Holdfast Bay. Climate very salubrious. Sea-baths. Iron jetty extending about quarter mile into the sea, forming a very fashionable promenade during the summer months.

HALLETT, 1,970 feet above sea-level, 120 miles (by rail) N. from Adelaide, and 56 miles from the coast. Climate bracing and very dry. The annual rainfall is a little over 10 inches.

HENLEY BEACH, 6 miles W. of Adelaide, a favourite sea-side resort, on the shores of St. Vincent's Gulf. Sea-bathing.

JAMESTOWN, 1,493 feet above sea-level, 175 miles (by rail) N. from Adelaide, and 32 miles from the coast. Dry climate. The annual rainfall is about 14 inches.

MOUNT BARKER, 1,049 feet above sea-level, 34½ miles (by rail) S.E. from Adelaide, and 22 miles from the coast, a favourite summer resort at the foot of Mount Barker. The surrounding country is mountainous and very picturesque. The climate is bracing though rather variable. The mean annual temperature is 56° F., and the mean annual amount of rainfall 30 inches.

MOUNT LOFTY (WITH CRAFTERS AND STIRLING EAST)—1,611 feet above sea-level, 19 miles (by rail) S.E. from Adelaide, favourite summer resorts at the foot of Mount Lofty. The surrounding scenery is very beautiful, and the climate bracing. The mean annual amount of rainfall is nearly 43 inches.

PETERSBURG, 1,746 feet above sea-level, 154 miles (by rail) N. from Adelaide and 48 miles from the coast. The climate is very dry. The total rainfall is only about 11 inches.

PORT ELLIOT, 77 miles (by rail) S. from Adelaide, a favourite watering place on the northern shore of Encounter Bay. The mean annual amount of rainfall is 21 inches. Sea-bathing.

PORT LINCOLN—210 miles (by steamer) W. from Adelaide, beautifully situated on the south-east coast of Eyre's Peninsula, in a pastoral district. The scenery is charming. The climate is most suitable for chest complaints. The nights are always cool, and the mean annual amount of rainfall is 20 inches. Sea-bathing; jetty, 700 feet long. *Season*: During the summer months.

ROBE—208 miles (by steamer) S.E. from Adelaide, a seaside resort, situated on the southern shores of Guichen Bay, amidst a dreary country of sand-hills, but the coast scenery is picturesque, and the climate salubrious. The mean annual temperature is 58° F., and the mean annual rainfall 25 inches. Fine jetty, 1,000 feet long, forming a favourite promenade. Sea-bathing.

SEMAPHORE (with LARGES BAY)—9½ miles (by rail) N.W. from Adelaide, one of the principal watering places on the shores of St. Vincent's Gulf. Sea-bathing.

TANUNDA—42 miles N. of Adelaide, on the North Para River, one of the healthiest country towns and the centre of the greatest viticultural and fruit-growing district in the colony. The climate is dry. The winter is bracing and not severe. Dr. Juttner could accommodate a few convalescent patients.

VICTOR HARBOUR (or PORT VICTOR)—81 miles (by rail) S. from Adelaide, a favourite seaside resort, pleasantly situated on the shores of Victor Harbour, a small bight of Encounter Bay. The surrounding country is somewhat mountainous. Sea-bathing.

YARCOWIE—1,712 feet above sea-level, 134 miles (by rail) N. from Adelaide, and 50 miles from the coast. The climate is very dry. The annual rainfall is only about 10 inches.

YONGALA—1,689 feet above sea-level, 159 miles (by rail via Petersburg) N. from Adelaide, and 37 miles from the coast. The climate is dry and bracing. The total rainfall is only about 12 inches.

VICTORIA.

ALEXANDRA—About 1,000 feet above sea-level, 90 miles N.E. of Melbourne, and 75 miles from the coast, on the Goulburn River. The country is mountainous, the scenery magnificent, and the climate bracing and moderately dry. The average annual rainfall is 26 inches. The water of the numerous mountain streams is very fine and clear. *Special Indications*: Phthisis, renal complaints, asthma, dyspepsia, nervous affections. *Season*: From October to March.

APOLLO BAY—144 miles S.W. of Melbourne, a rising watering-place on the N.W. coast of Bass' Strait, near Cape Otway, in a fine timber-growing district, abounding in gigantic blue gum trees and magnificent ferns. The climate is mild and very salubrious. The mean annual temperature is 55.1° F. The mean temperature in January is 60° F., in April 57° F., in July 49° F., in October 53° F., and in December 58° F. The average annual rainfall is 35 inches. Sea-bathing. *Season*: From November to April.

BALLAN—1,650 feet above sea-level, 45 miles (by rail) N.W. from Melbourne, on the Werribee River. The climate is healthy, cool, and agreeable. The average annual rainfall is 33 inches. Mineral springs of a highly medicinal character, known as the "Ballan Mineral," or the "Victorian Seltzer," are situated on the border of the Ballarook Forest, about seven miles from the Ballan railway station, and over 2,000 feet above sea-level. The water is clear, sparkling, inodorous, mildly pungent, and of an alkaline character. It has been in use for the last twenty years. *Special Indications*: Indigestion, affections of kidneys and bladder, costiveness, heartburn, and rheumatism; in large doses useful in reducing corpulence, and in small doses in diarrhoea and dysentery. Also suitable for infants, if mixed with equal parts of milk.

BALLARAT—1,437 feet above sea-level, 100 miles (by rail) W. from Melbourne, and 60 miles from the coast, the second city in Victoria, enjoys a temperate climate, and its noted salubrity makes it a place of resort by invalids requiring a bracing yet not too cold an air. The mean annual temperature is 54.3° F., the mean temperature in January is 63° F., in April 54° F., in July 42° F., in October 52° F., and in December 60° F. The average annual rainfall is 26 inches.

BEECHWORTH, 1,795 feet above sea-level, 171 miles (by rail) N.E. from Melbourne, and 126 miles from the coast, the capital town of the Ovens district, picturesquely situated and surrounded by lofty mountains. The scenery is magnificent, and the climate is extremely salubrious; the air is pure, mild, and dry, though cold in winter. The mean annual temperature is 55.7° F., the mean temperature in January is 70° F., in April 58° F., in July 40° F., in October 58° F., and in December 67° F. The average annual rainfall is 30 inches. *Special Indications*: General debility, chest affections.

BENDIGO—758 feet above sea-level, 101 miles (by rail) N.W. from Melbourne, an important gold-mining town on Bendigo Creek, in a vine-growing district. Climate beautiful in winter, suitable for invalids suffering from any disease, especially asthmatical cases. The mean temperature in January is 70° F., in April 59° F., in July 45° F., in October 57° F., and in December 67° F. The mean annual temperature is 58.6° F. The average annual rainfall is 21 inches.

BRIGHTON—8 miles (by rail) S.E. from Melbourne, on the eastern shore of Port Phillip Bay, a favourite watering-place, and one of the healthiest and prettiest suburbs of Melbourne. The atmosphere is invigorating, pure, and salubrious. The average annual rainfall is 27 inches. Sea-baths.

BUNINYONG—1,600 feet above sea-level, 106 miles W. of Melbourne. The surrounding country is elevated, the air very bracing, and fresh water springs are numerous. The average annual rainfall is 29 inches.

CHARLTON—173 miles (by rail) N.W. from Melbourne, and 148 miles from the coast, situated on the Avoca River. The country is flat, and lightly timbered. The climate is remarkably warm, dry, and equable; no sudden changes of temperature; the winter is mild and short. The average annual rainfall is 16.7 inches. A mineral spring, of supposed medicinal value, at Yawong (4 m.) *Special Indications*: All chest diseases, especially phthisis.

COWES—55 miles S.E. of Melbourne, a seaside health resort on the northern coast of Phillip Island, fronting Western Port Bay. Fine climate.

VICTORIA—*continued.*

DAYLESFORD—2,039 feet above sea-level, a rising health resort, picturesquely situated on Wombat Creek, near the Loddon River, 78 miles (by rail) N.W. from Melbourne, and 70 miles from the coast. The surrounding district is elevated and mountainous, and the scenery is exceedingly beautiful; the climate is bracing; the nights are always cool. The average annual rainfall is 36·8 inches. The mean annual temperature is 53° F., the mean temperature in January is 58° F., in April 52° F., in July 42° F., in October 52° F., and in December 60° F. *Special Indications*: General debility, pulmonary and nervous affections. *Season*: From October to April.

DROMANA—35 miles (by steamer) S. from Melbourne, a favourite watering-place on the shores of Hobson's Bay; surrounding country mountainous. The average annual rainfall is 29·2 inches. Sea-bathing. Jetty, 1,400 feet long, forming a pleasant promenade.

DRYSDALE—212 feet above sea-level, 57 miles (by rail) *via* Geelong, and 34 miles (by steamer) S.W. from Melbourne, pleasantly situated on the Corty Ule Creek, near the shores of Port Phillip Bay. The surrounding country is undulated and elevated, and the scenery beautiful. The district is considered a very healthy one and invalids are frequently sent there for the benefit of the air. The average annual rainfall is 19·7 inches. Sea-bathing. The celebrated chalybeate and sulphurous springs at Clifton, close to the sea-shore, are $1\frac{1}{2}$ miles distant from Drysdale; the water is bright, sparkling, and very brisk, of pleasant taste and highly refreshing, possessing chalybeate, anti-acid, and tonic properties. There are a number of different springs at Clifton, all highly charged with carbonic acid gas. Hot mineral baths can also be had at Clifton. *Special Indications*: Chlorosis, anæmia, disorders of digestion, liver complaints; also rheumatism, rheumatic gout, gout, sciatica, and affections of the joints, if taken in conjunction with the hot mineral baths at Clifton.

ECHUCA—314 feet above sea-level, 156 miles (by rail) N. from Melbourne, and 146 miles from the coast, on the Murray and Campaspe rivers. The climate is warm, equable, and very dry. The mean annual temperature is 58·9° F. The average annual rainfall is only 16 inches, with 67 rainy days in the year; there is very little variation of temperature, and hardly any sudden atmospheric changes. *Special Indications*: Pulmonary diseases, especially phthisis, asthma, bronchitis. *Season*: April to November. Dr. W. Fowler could accommodate one patient at his own house; terms, from three to five guineas a week.

ELPHINSTONE—1,365 feet above sea-level, 70 miles (by rail) N.W. from Melbourne, pleasantly situated on the slope of a hill. Climate very salubrious.

FERNSHAW—45 miles N.E. of Melbourne, on Watts River, famed for the extreme beauty of its scenery; the surrounding country abounds in fern-tree gullies, waterfalls, and lofty mountains. The average annual rainfall is 35·6 inches.

FRANKSTON—27 miles S. of Melbourne, a marine retreat, beautifully situated at the foot of Mount Eliza, on the S.E. shore of Port Phillip. Climate mild and very salubrious. The average annual rainfall is 35 inches. Splendid scenery; fine pier, $\frac{1}{4}$ -mile long, affording a convenient promenade; sea-baths. *Special Indications*: General debility, convalescence.

HEATHCOTE—787 feet above sea-level, and 73 miles (by rail) N. of Melbourne, prettily situated at the foot of Mt. Ida, and on McIvor Creek, surrounded by hills, and well sheltered. Climate the same as Bendigo. Dr. A. W. Esler could accommodate a few private patients.

HEPBURN—Over 2,000 feet above sea-level, 81 miles N.W. of Melbourne. The country is mountainous and picturesque, and the climate extremely healthy. The average annual rainfall is 36·8 inches. Noted for the best mineral spring in Victoria, the water of which is cool, clear, sparkling and inodorous; it acts as a tonic and alterative, and has proved to be very beneficial to invalids, containing as it does a large quantity of iron in solution. *Special Indications*: Affections of the liver, acute rheumatism, rheumatic gout, flatulence, acid dyspepsia, chlorosis, leucorrhœa, menorrhagia.

KYNETON—1,687 feet above sea-level, 57 miles (by rail) N.W. from Melbourne, lies almost in a basin, surrounded by hills of no great height. Climate exceptionally healthy. The average annual rainfall is 31·1 inches. *Special Indications*: Consumption, nervous affections. *Season*: Summer and Spring.

VICTORIA—*continued.*

LORNE—115 miles S.W. of Melbourne, a favourite watering-place on the south coast, beautifully situated on the Erskine River, at Loutit Bay, well sheltered by the lofty Otway Range. Fine beach; lovely scenery. The climate is mild and equable. The mean annual temperature is 58° F. The average annual rainfall is 30·4 inches. Sea-bathing. *Special Indications*: Phthisis, asthma, liver complaints. *Season*: Throughout the year.

MACEDON—1,660 feet above sea-level, 44 miles (by rail) N.W. from Melbourne, with UPPER MACEDON, from 2,200 to 3,000 feet above sea-level, three miles from the railway station, favourite health resorts, beautifully situated in a heavily timbered district. The surrounding country is mountainous, the scenery very romantic, and the climate is unrivalled for salubrity. The mean annual temperature at Macedon is 53° F., and at Upper Macedon (3,000 feet level) 48·2° F. The average annual rainfall is 35·7 inches. The nights are always cool, and the atmosphere is dry. The climate is bracing and tonic, and on most constitutions it has a stimulating effect. The mountain sides abound in streams of running water of the purest quality.

MELTON—23 miles (by rail) N.W. from Melbourne, sheltered by well-timbered ranges. The climate is very mild; surrounding scenery is varied and romantic. *Special Indications*: Pulmonary affections.

MORDIALLOC—17 miles (by rail) S.E. from Melbourne, a favourite watering place on the shores of Port Phillip Bay. The average annual rainfall is 26·9 inches.

MORNINGTON (or **SCHNAPPER POINT**)—33 miles S. of Melbourne, a beautiful watering-place on the S.E. coast of Port Phillip. Dry temperature, mild winter. The average annual rainfall is 35·9 inches. Sea-bathing. *Special Indications*: Phthisis, rheumatism. *Season*: December to April.

MORWELL—283 feet above sea-level, 89 miles (by rail) E. from Melbourne, and 30 miles from the coast, pleasantly situated on the Morwell River, surrounded by high, heavily-timbered ranges. The scenery is highly picturesque, and the air pure and salubrious.

PORTARLINGTON—65 miles S.W. of Melbourne, a watering-place on Port Phillip Bay. The country is undulating, and the surrounding scenery is beautiful. Fine esplanade along the beach. Sea-baths.

PORT FAIRY—186 miles (by rail) S.W. from Melbourne, an important seaport town and seaside health resort at the mouth of the river Moyne, on Port Fairy Bay. The climate is salubrious and bracing. The average annual rainfall is 29 inches. Good sea and river bathing.

PORTLAND—40 feet above sea-level, 272 miles by rail, and 225 miles by steamer S.W. from Melbourne, situated on the coast, standing on high ground overlooking the bay. The climate is mild and the air pure and salubrious. The winter is rather wet. The heat in summer is tempered by sea-breezes. The temperature at Portland is higher than at any other place on the coast, due to the neighbourhood of warm ocean currents. The mean temperature in January is 67° F. in April 63° F., in July 53° F., in October 60° F., and in December 64° F.; the mean annual temperature is 56·7° F. The average annual rainfall is 33 inches. Sea-baths. *Special Indications*: General debility, scrofula, phthisis. *Season*: During the summer months.

PORTSEA—37 miles (by steamer) S. from Melbourne, a much frequented watering-place on the east side of Port Phillip Heads.

QUEENSLIFF—60 miles (by steamer) S. from Melbourne, one of the principal watering-places of Victoria, at the entrance of Port Phillip Bay. Air very pure. Excellent sea-baths. *Special Indications*: Nervous affections, liver complaints; also for convalescents. *Season*: November to April.

SOMERVILLE—35 miles S.E. of Melbourne, near Western Port Bay, in a fruit-growing and dairy-farming district, sheltered from hot winds, and noted for its salubrity. Post office; racecourse at Baxter's Flat. *Excursions*: Mount Eliza (4 m.); Hastings (7 m.). *Route*: By rail to Frankston, thence coach (7 m.).

ST. KILDA—3 miles S. of Melbourne, a very fashionable watering-place, beautifully situated on the eastern shores of Hobson's Bay. Climate mild and salubrious. Sea-baths; hot salt-water baths.

VICTORIA—*continued.*

SUNBURY—702 feet above sea-level, 24 miles (by rail) N.W. from Melbourne, on Jackson's Creek, famous for its splendid vineyards and orchards. The country is elevated, interspersed with beautiful flats; the scenery is very romantic and picturesque. The climate is dry and very healthy. The average annual rainfall is 21 inches; the mean annual temperature, 25·7° F. *Special Indications*: Consumption, general and nervous debility. *Season*: All the year round.

WARBURTON—2,200 feet above sea-level, 44 miles E. of Melbourne. Climate mild and very salubrious, although rather moist in winter; the average annual rainfall is 56·7 inches. *Special Indications*: Chest complaints.

WEDDERBURN—573 feet above sea-level, 150 miles by rail N.W. from Melbourne. The climate is warm, equable, and very dry. The average annual rainfall is 20·6 inches. *Special Indications*: Pulmonary affections, principally phthisis. *Season*: From April to October.

WOODEND—1,840 feet above sea-level, 49 miles (by rail) N.W. from Melbourne. The country is elevated and the scenery romantic. The climate is very salubrious. The average annual rainfall is 50 inches.

WESTERN AUSTRALIA.

BUSSELTON—142 miles S. from Perth, a seaside health resort on the shores of Geographe Bay. Frequented by residents of Perth and invalids from India. Grapes, as well as other fruits, are plentiful. The surrounding scenery is very pleasing; the climate is salubrious and pleasant. Sea-bathing can be indulged in almost throughout the year. Jetty 2,800 feet long, forming a pleasant promenade.

TASMANIA.

CAMPBELL TOWN—660 feet above sea-level, 42 miles (by rail) S.E. from Launceston, and 91 miles (by rail) N. of Hobart, pleasantly situated on the Elizabeth River, 38 miles from the coast. The air is dry, cool, and bracing. The annual rainfall in 1886 amounted to 20 inches, with 95 wet days.

DELORAINÉ—800 feet above sea-level, 45 miles (by rail) S.W. from Launceston, and 23 miles from the coast, pleasantly situated on the river Meander, the centre of one of the finest agricultural districts in the colony. The annual rainfall is about 37 inches, with 146 wet days.

DEVONPORT EAST AND WEST—82 miles (by rail) N.W. from Launceston, two rising seaside resorts, connected by a ferry, at the mouth of the river Mersey, on the northern coast of the island. Splendid climate, but not suitable for pulmonary affections. Sea-bathing.

EVANDALE—About 1,000 feet above sea-level, 13 miles (by rail) S.E. from Launceston, and 38 miles from the coast, pleasantly situated on the South Esk River, amidst beautiful scenery; from the absence of hills, much exposed to winds. The climate is dry and very bracing. *Special Indications*: For convalescents.

FRANKLIN—30 feet above sea-level, 28 miles (by coach) and 60 miles (by steamer) S.W. from Hobart, beautifully situated on the Huon River, 15 miles from the coast, in a fine fruit-growing district. The summer climate is mild, balmy, and salubrious, and the surrounding scenery is really beautiful. The annual rainfall is about 30 inches, with 166 wet days.

GEORGETOWN—35 miles (by steamer) N.W. from Launceston, a watering-place picturesquely situated at the mouth of the river Tamar; the summer resort of northern Tasmanians. Sea-bathing.

KINGSTON—11 miles S. of Hobart, a much frequented watering-place, charmingly situated on Brown's River, surrounded by lofty hills; grand climate and scenery.

TASMANIA—*continued.*

LAUNCESTON—The principal town in the north of the colony, on the river Tamar, about 40 miles from its mouth. It is surrounded by hills, the scenery is romantic, and the climate is very dry and healthy. The mean annual temperature is 55° F., and the mean daily range 20° F. The annual rainfall is about 30 inches, with 119 wet days.

NEW NORFOLK—100 feet above sea-level, 21 miles (by steamer or rail) N.W. from Hobart, and 23 miles from the coast, prettily situated on the river Derwent, in a fine hop and fruit-growing district. The total rainfall is about 21 inches, with 128 wet days.

OATLANDS—1,337 feet above sea-level, 51 miles (by rail via Parattah) N. from Hobart, and 32 miles from the coast. A handsome town, picturesquely situated on the highlands. The mean annual temperature is 51° F., and the daily range 22° F. The annual rainfall is about 23 inches, with 91 wet days. *Special Indications*: General debility, nervous affections.

PENGUIN—92 miles N.W. of Launceston, a sea-side resort on the northern coast of the island, in a fine agricultural district. The climate is very salubrious. Sea-bathing.

ROSS—600 feet above sea-level, 83 miles (by rail) N. from Hobart, and 50 miles (by rail) S.E. from Launceston, and 30 miles from the coast. A pretty township, beautifully situated on the Macquarie River, and one of the healthiest spots on the island.

ST. HELEN'S (GEORGE'S BAY)—80 miles E. of Launceston, a very favourite summer resort and watering place at the head of a completely landlocked bay, noted for the purity of the atmosphere and the great salubrity of its climate. Scenery extremely picturesque.

SWANSEA—90 miles N.E. of Hobart, a rising watering-place on the shores of Oyster Bay, on the east coast of the island. The climate is dry, equable and bracing. The annual rainfall is about 30 inches, with 56 wet days. Beautiful scenery; sandy beaches nine miles long. Sea and fresh-water baths.

ULVERSTONE, 84 miles N.W. of Launceston, a rising sea-side resort at the mouth of the river Leven, on the north coast of the island. The scenery is extremely picturesque, and the climate cannot be surpassed as regards salubrity, but it is not suitable for pulmonary affections. Sea-bathing.

VICTORIA—20 feet above sea-level, 24 miles (by coach) S.W. from Hobart, pleasantly situated on the banks of the Huon River, surrounded by hills. The climate in summer is mild, balmy, and salubrious. The scenery is exceedingly pretty.

WYNYARD—104 miles N.W. (by steamer) from Launceston, situated near Table Cape, on the north-west coast of the island. Grand forest and coast scenery. The climate is bracing and equable. Sea-bathing. *Special Indications*: Nervous affections, and for convalescents.

NEW ZEALAND.

AKAROA (CANTERBURY)—56 miles S.E. of Christchurch, on Banks' Peninsula, very picturesquely situated at the foot of green hills covered with ferns, on the shores of one of the finest harbours of New Zealand, in a dairy farming district. The surrounding scenery is magnificent, and the summer heat being cooled to a delicious temperature by frequent sea breezes, the town has become a favourite summer retreat. Sea-bathing.

CLYDE OR DUNSTAN (OTAGO)—156 miles W. of Dunedin, on the Clutha River. The climate is extremely salubrious; the surrounding scenery is wild and weird.

DEVONPORT—A marine suburb, 2½ miles N.E. of Auckland. Fine strand; sea-bathing.

HAMILTON (WAIKATO)—86 miles by rail S. of Auckland, and 130 feet above sea-level. Climate suitable for phthisical patients. Dr. A. S. Brewis could accommodate one convalescent, at the rate of £200 per annum.

NEW ZEALAND—*continued.*

HANMER PLAINS (PROV. NELSON)—92 miles N. of Christchurch. The climate is dry, bracing and salubrious, the mean temperature in the shade is 70° F. The surrounding country is mountainous, some of the mountains being over 4,000 feet high; the scenery is alpine in character and very picturesque. The Hanmer Plains are 10 miles long by four miles broad, and about the centre (2½ m. from the post office) there are situated, at an altitude of over 1,300 feet above sea-level, a number of hot springs, nine in all, of an alkaline and saline character, with a strong escape of sulphuretted hydrogen, and possessing curative properties similar to those at Rotorua. The government have constructed bath-houses, plantation gardens, &c., and have intimated their intention to increase the bathing accommodation. The principal springs are three, known as Nos. 1, 7 and 8. *Special Indications*: Rheumatism, sciatica, gout, cutaneous diseases, nervous affections, insomnia, chest complaints; also for asthma (from October to June only), psoriasis (from September to April only). *Season*: Throughout the year.

HUTT—Eight miles (by rail) N.E. from Wellington, a favourite summer retreat, pleasantly situated on the Hutt River, where it enters the bay. The climate is very equable, the winter mild, and the summer cool. The mean temperature in winter is 48·74° F., in spring 54·50° F., in summer 62·24° F., and in autumn 56·66° F.; the mean annual temperature is 55·58° F., and the daily range 12·06° F.; the mean annual amount of rainfall is 51·54 inches.

KAIKOURA (MARLBOROUGH)—On the shores of Ingles Bay, 90 miles S. of Blenheim. The climate is peculiarly suitable for convalescents, being rendered very equable by the sea on one side and the Kaikoura Mountain Range behind. Mean temperature in summer, 68°; and in winter, 46°. Scenery very fine and most beautiful drives within easy access. Bi-weekly steamers to Wellington and Lyttleton. Dr. J. Gunn could accommodate one convalescent at his residence, "Bloomsbury."

KAWAKAWA (PROV. AUCKLAND)—Near the Bay of Islands, 132 miles N.N.W. of Auckland. Annual rainfall, 50 inches. Dr. Carolan could accommodate one patient.

MOTUEKA (PROV. NELSON)—At a slight elevation above sea-level, 36 miles N.W. from Nelson, on the northern coast of the South Island. Prettily situated about one mile from the western shores of Blind Bay, and half mile from the Motueka River. Behind are ranges of mountains, some 6,000 feet high, with stalactite and moa caves, which are easily accessible. The scenery is beautiful and varied. The climate is almost perfect; it is dry, equable and bracing; the summer is delightfully cool on account of the regular sea-breezes; the winter is cold, but dry, with calm cloudless days. Sea-bathing. *Special Indications*: Phthisis in every stage, asthma, chronic bronchitis; also suitable for convalescents. *Season*: During the summer months.

NAPIER—The chief town of Hawke's Bay, picturesquely situated on Scinde Island (a peninsula), on the east coast of the North Island, about 7 miles from the southern end of the bay. The climate is mild, dry, and tolerably equable. The mean temperature in winter is 49·10° F., in spring, 57·74° F., in summer 66·20° F., and in autumn 57·02° F.; the mean annual temperature is 58·3° F.; the mean daily range 17·46° F., and the average annual amount of rainfall 36 inches, and in this respect Napier holds an intermediate position between Torquay (Devonshire) and Funchal (Madeira). The soil is porous and dries quickly after rain. *Special Indications*: Chronic bronchitis, phthisis, asthma, and other pulmonary affections. *Season*: From April to Christmas.

NASEBY (PROV. OTAGO)—1,900 feet above sea-level, 92 miles N.W. of Dunedin, at the foot of Mount Ida. Climate very bracing and healthy. *Season*: From September to April.

NELSON—Picturesquely situated on the south-eastern shores of Blind Bay, on the north coast of the South Island. It is famed for the salubrity of its climate, which is one of the finest in the world. It is often described as a place "where everlasting spring abides." The mean temperature in winter is 46·58° F., in spring 54·50° F., in summer 62·78° F., in autumn 55·76° F.; the mean annual temperature is 54·86° F., and the mean daily range 20·16° F. The average annual amount of rainfall is 62 inches. The surrounding scenery is mountainous. *Special Indications*: Pulmonary complaints, especially phthisis. *Season*: Throughout the year.

NEW ZEALAND—*continued.*

NEW BRIGHTON (CANTERBURY)—A seaside resort of Christchurch. Sea-bathing.

ONEHUNGA (PROV. AUCKLAND)—8 miles (by rail) S. from Auckland, the port of Manukau Harbour, on the west coast of the North Island. Climate mild and salubrious. Sea-bathing.

OTAHUHU (PROV. AUCKLAND)—9 miles (by rail) S. from Auckland, pleasantly situated on the Manukau Harbour, on the west coast of the North Island. Climate very mild and salubrious.

PEMBROKE (OTAGO)—1,040 feet above sea-level, 176 miles N.W. of Dunedin, a little village on the shores of the famous Lake Wanaka. The climate is very salubrious, and the surrounding scenery is wild and romantic.

QUEENSTOWN (OTAGO)—1,070 feet above sea-level, 110 miles N.W. of Invercargill, and 55 miles from the coast, very picturesquely situated on the northern shores of Lake Wakatipu. The surrounding mountain scenery is of extreme grandeur and beauty. The climate is very invigorating. The mean annual temperature is 51° F.; the difference between the coldest and warmest months is 21° F., and the average annual amount of rainfall 50 inches. *Special Indications*: Pulmonary diseases, bronchitis, nervous affections, disorders of digestion.

RIVERTON (SOUTHLAND)—26 miles (by rail) W. from Invercargill, a rising summer resort, picturesquely situated on the coast, at the mouth of Jacob's River, in a rich dairy-farming district. The mean temperature in winter is 42° F., in spring 51° F., in summer 58° F., and in autumn 50° F. The mean annual temperature is 50° F., the mean daily range 20° F., and the average annual rainfall is 50 inches. Sea-bathing.

ROTORUA—990 feet above sea-level, 172 miles S.E. of Auckland, and 42 miles from the coast, on the southern shores of Lake Rotorua, the centre of the famous thermal springs, and within easy reach of the numerous natural wonders and beautiful scenery of the lake district. A powerful smell of sulphur pervades the atmosphere. The climate of Rotorua is drier and more bracing than that of the coast. The heat of summer is free from the moist oppressiveness that characterises that of Auckland and other coast towns. The mean temperature for the four seasons is as follows:—Spring, 53° F.; summer, 66° F.; autumn, 57° F.; and winter, 45° F. The relative moisture of the atmosphere (complete saturation = 100) is:—For spring, 74; summer, 66; autumn, 67; and winter, 74. The average annual rainfall is 53 inches, and the number of days on which rain falls, 150. The daily range of temperature is greatest in summer and least in winter. The nights in the hottest summer weather are invariably cool, and mosquitoes are unknown. The mean daily range of temperature is:—For spring, 21° F.; summer, 28° F.; autumn, 23° F.; and winter, 20° F. Dr. Ginders can accommodate four private patients, requiring bath treatment.

SUMNER (CANTERBURY)—A favourite watering place, picturesquely situated eight miles S.W. of Christchurch. The mean annual temperature is 52·88° F., the mean daily range 17·10° F., and the average annual amount of rainfall 26 inches. Sea-bathing.

ST. KILDA (OTAGO)—A fashionable watering place and suburb of Dunedin, picturesquely situated on Tomahawk Bay. Sea-baths.

TE AROHA (PROV. AUCKLAND)—350 feet above sea-level, 126 miles by rail (special railway carriages are provided for invalids) S.E. from Auckland. The climate is equable, dry, and salubrious. There are a number of springs situated in the centre of the township, eighteen in all, of which fifteen are hot or tepid; also seven bath-houses, all of which are most comfortably fitted up, and leave nothing to be desired as regards privacy or cleanliness; also a large building containing private single baths, and a summer house with fountain, providing the mineral water for internal use. These baths are open from 6 a.m. to 10 p.m. *Special Indications*: Efficacious in gouty and rheumatic affections, chronic dyspepsia, disorders of the urinary organs, cutaneous diseases, splenic and hepatic disorders, diseases due to excess of acidity, neuralgia, sciatica. *Season*: Throughout the year.

WAIKOUAITI, or HAWKS BURY (PROV. OTAGO)—32 miles (by rail) N. from Dunedin, a much-frequented watering place on the east coast of the South Island. Sea-bathing.

WAIKUKU (PROV. AUCKLAND)—40 miles S.E. of Auckland, on the southern shores of Manukau Harbour, in a dairy-farming and fruit-growing district. The climate is mild and salubrious and the scenery charming.

NEW ZEALAND—*continued.*

WAIWERA—24 miles N. of Auckland, a much-frequented watering-place with thermal springs, prettily situated on the western shore of Hauraki Gulf. The climate is warm, equable and dry. The surrounding scenery is magnificent. Sea-bathing. The thermal springs here situated are of a weakly alkaline and saline character, and are extensively used as baths in rheumatic and dyspeptic complaints; used internally they have also a mild antilithic action. *Special Indications*: Rheumatism, gout, dyspepsia, spinal diseases, skin diseases, disorders of kidney and bladder. *Season*: October to March.

WHAINGAROA (PROV. AUCKLAND)—100 miles S.W. of Auckland, on the shores of Whaingaroa Harbour. The climate is equable, rarely exceeding 80° F. in the shade in summer. The nights are always cool, ranging in summer between 50° F. and 60° F., and in winter from 40° F. to 60° F. Within five miles of the head of Whaingaroa Harbour are numerous hot springs of a sulphurous character. The Maoris have for ages used them at all seasons, and so great is their fame with the Maoris that they come from a distance of from 200 to 300 miles. Their temperature is from 110° F. to 160° F. *Special Indications*: Rheumatism, cutaneous diseases.

200 Detachable Diet Lists, Oblong 8vo, Cloth, 4s. 6d.;
by post, 5s.

THE BOOK OF DETACHABLE DIET LISTS

For (1) Albuminuria, (2) Anæmia and Debility, (3) Constipation, (4) Diabetes, (5) Diarrhœa, (6) Dyspepsia, (7) Fevers, (8) Gout or Uric Acid Diathesis, (9) Obesity, (10) Tuberculosis, and (11) Recipes for a Sick-room Dietary. By DR. J. B. THOMAS and DR. R. L. DICKINSON.

* * The lists are numbered, and the key to the numbers is reserved for the physician; all the physician has to do is to tear out a list, check off the food prescribed, and hand the list to the nurse or to a friend of the patient. A butt is provided for the record of each case.

These beautifully got up Diet Lists are no imitations; they are superior to all others, and are the only ones which also mention all those articles of food, &c., which should especially be avoided in the various diseases. There is also space provided for the physician to write in his orders.

"This is an admirable collection of Detachable Diet Lists and Sick-room Dietary. . . . We have much pleasure in recommending this series of diets, which meets a want, and enables the physician in the treatment of cases, to regulate the food supply in a most precise and methodical manner."—*The Australasian Medical Gazette* for JUNE, 1895.

SPECIMEN SHEETS ON APPLICATION.

Bound in Leather, pocket size, same as "Martindale's Extra Pharmacopœia." Price, 6s.; by post, 6s. 6d.

Liquor Carnis Co.,

LONDON & PARIS.

FOODS FOR INFANTS AND INVALIDS,

Utilizing the MEAT and the BONE, or the JUICE and the MARROW.

(a) LIQUOR CARNIS (CAFFYN). The pure juice of beef—exactly as the fluid which is squeezed out of a grape or an orange is the juice of the orange or grape. May be added to Hot Soups, Beef-Tea, &c.

3-oz., 1s. 9d. ; 6-oz., 3s. 4d.

(b) MALTO-CARNIS (CAFFYN). The modern form of administering Raw Beef Juice, in which combination the difficulty as to taste of freshly squeezed Beef Juice has been completely overcome. 9d., 1s. 9d., and 4s. 6d.

(c) L. C. C. MEAT JUICE where a stimulating mixture of Raw Meat Juice and the extrac-

tives are required. Tastes like Roast Beef.

2-oz., 1s. 9d.

(a) VIROL, containing the Red as well as the Yellow Marrow, is a valuable Hæmatinic as well as a Fat-Food. 9d., 2s. 6d., and 3s. 6d.

(b) MARROL—Yellow Marrow with Malt—a substitute for Cod Liver Oil. Not a Hæmatinic, as it does not contain the Red Marrow—Virol does! Almost as cheap as Cod Liver Oil.

7-oz., 1s. 3d.

(c) VIROL SANS SUCRE is a form of the two Marrows—Red and Yellow—suitable in cases where Carbohydrate are too sweet or not admissible. 1s. and 5s.

Specimens supplied for test purposes by THE LIQUOR CARNIS CO., LONDON, E.C.
